Re: August 2019 Building Permit Report

Attached please find the building permit data for the month of August 2019 from EnerGov. Due to the City's software conversion in October 2018, the previously provided 3 year CYTD permit comparison report is no longer available. A 2019 CYTD report is available at the link below that can be compared with the previously produced 3 year CYTD report for August 2018-2016 as available via the link below.
