Rusty,

Based on your email, our conversations with local contacts, and a desire to react to the input we have received, we would request that our re-zoning application for the West Briarwood lots be tabled from the October 10<sup>th</sup> meeting. We would request to be a part of either the November 7<sup>th</sup> or December 5<sup>th</sup> Planning and Zoning commission meeting.

I appreciate your assistance and look forward to bringing this project back to you with an approach that takes into account all of the information we have received from the public hearing and all local sources.

Thank you,

Greg Swartzendruber
