Narrative:

- | | |
|----|--|
| 1. | Briefly Describe the Event: The event will play host to up to 144 players (ages 12-19) from across the world between the days of Sunday-Thursday. This event will begin with a qualifying event on Sunday, June 14 that will have up to 100 different players from around the world. Approximately 10% of the qualifier field will earn their way into the main event. On Monday morning, we will host an official practice round for all tournament players. On Monday afternoon, we will host our Junior-Am fundraising event. All net proceeds will be split between the Achieving Competitive Excellence Grant program and a local charity of choice. On Tuesday and Wednesday all players will compete. After the second round, we will cut half of the field. On Thursday, the remaining players will compete. After the event we will have a short awards ceremony. We will provide at least one meal for all players and parents throughout the week. We will also host a social activity at the course or at the University football field depending on availability. This is a great opportunity for the university to showcase their facilities to our players and parents who are looking to play college golf. |
| 2. | How do you plan to market and promote the event to attract visitors from outside Boone County and |

	increase attendance? Our max field will be 144 players for the event and 100 players for our qualifying event. We will have up to 244 players coming to Columbia, MO for this event. All of our fields are filled based on the Performance Based Entry system. All of our fields have extensive waiting lists to get in. Our partners help promote our events (Golf Channel, PGA Tour, etc.). Our website is the main promotion of the event. We have over 10.4 million unique views per year on our website.
3	How will your event increase overnight stays? We are not a stay for play organization. However, we would anticipate at least 80% of our players will stay in a hotel in the area during the event. Our guests will be in a hotel for 4-5 days. We've had kids travel from other countries to play in our events and stay for over a week. We will have 6 exemption spots available for local players. However, the majority of the field will be filled with players from out of the area.
4.	How many overnight stays do you estimate the event will generate?: 115 x 4 nights = 460 # of estimated local participants: 6 # of estimated out-of-town participants: 138 # of local friends/family/fans: 50 # of out of town friends/family/fans: 276
5.	Have you contacted local hotels? Holiday Inn and Express is most likely going to be host hotel. If yes, which ones?
6.	What method will you use to track overnight stays? Tournament registration before the event. We will check numbers with local hotels after the event. We setup room blocks at our host hotel to help keep track of room nights sold.
7.	Will your event increase retail, food & beverage expenditures by out of market visitors and in increase tourism overall? Yes! This event will have a substantial impact on the local economy. We expect an overall impact of \$350,000 or more to the local community. Over the long-term we expect this event to generate over \$1 million of economic impact on the local economy.
8.	Have you secured event sponsorships? We are in the process of finalizing sponsorships. We are looking to bring this event to the area long-term (at least 3 years). Missouri Health and Boone Hospital have been approached about helping bring this event to town.
9.	List any other important factors or issues about this event that you feel we should know about: Our players will come to town early to play additional practice rounds. This is additional revenue for the local economy. We believe this event will not only provide great economic impact to the city of Columbia, however, it is a great way to showcase the University to young kids from across the world. We look forward to getting members of the community involved with the event through various volunteer opportunities.

1980 SPON'S CLUB DRIVE • BRASELTON, GA 30517 • (770) 868-4200 • AJGA.ORG • A 501(c)(3) NONPROFIT ORGANIZATION

About the AJGA

- The American Junior Golf Association is a 501(c)(3) nonprofit organization dedicated to the overall growth and development of young men and women who aspire to earn college golf scholarships through competitive junior golf. The AJGA provides valuable exposure for college golf scholarships, and has an annual junior membership (boys and girls, ages 12-19) of more than 7,000 junior golfers from 50 states and 60 foreign countries.
- To ensure scholarship opportunities for all junior golfers who have the skill, the AJGA created the Achieving Competitive Excellence (ACE) Grant program to provide financial assistance to young players in need. Since 2003, more than \$3.9 million has been reimbursed to program participants, who have, in turn, earned more than \$14.8 million in college scholarships.
- Since 2009, junior golfers have raised more than \$2.5 million for charities through the Leadership Links program. Jack Nicklaus and Rickie Fowler were involved in 2018, and the USGA matches funds raised for junior golf charities.
- Led by Executive Director Stephen Hamblin, approximately 63 full-time staff members perform the day-to-day operations of the AJGA from its National Headquarters in Braselton, Georgia. The Association is served by an elected Board of Directors, headed by Chairman of the Board J.R. "Digger" Smith.
- In 2019, the AJGA will conduct more than 120 tournaments in 32 states, the Dominican Republic, Australia and Scotland. AJGA tournaments are typically 36- or 54-hole stroke play events featuring boys and girls divisions. AJGA Open and Junior All-Star events are typically preceded by a Qualifier to help local or less-experienced juniors "play their way in" to AJGA tournaments.
- The AJGA provides exceptional junior golfers the opportunity to develop and showcase their competitive skills and has built a reputation of providing the best exposure vehicle for college golf scholarships. Hundreds of college coaches receive results from AJGA tournaments and Qualifiers. Nearly all AJGA participants enter college and most play college golf with financial aid.

History and Support of the AJGA

- The AJGA conducted its first national junior tournaments, the Rolex Tournament of Champions and the Polo Golf Junior Classic, in 1978, after which the first Rolex Junior All-America Team also was named.
- TaylorMade and adidas are the AJGA's Nationals Sponsors, supporting the AJGA for more than 25 years.
- Rolex, in its fourth decade of sponsorship, became a Premier Partner in 2004.
- TaylorMade has served as the Official Ball of the AJGA since 2016. adidas has been the Official Apparel and Footwear of the AJGA since 2017.
- More than 150 corporate sponsors currently support the AJGA. Nearly 60 percent of the Association's operating budget comes from corporate sponsorship and individual donations.

About AJGA Players

- The AJGA annually recognizes outstanding golf achievement through the selection of Rolex Junior All-Americans.
- Each year, 24 male and female junior golfers are honored as Scholastic Junior All-Americans for outstanding achievements in the classroom and on the golf course, as well as community service.
- AJGA alumni have risen to the top of amateur, collegiate and professional golf:

In NCAA Division I, 22 of the past 30 men's champions and 23 of the past 30 women's champions are AJGA alumni.

Former AJGA juniors have compiled more than 910 victories on the PGA and LPGA Tours.

Tiger Woods, Phil Mickelson, Jordan Spieth, Rickie Fowler, Bubba Watson, Webb Simpson, Sergio Garcia, Hunter Mahan, Dustin Johnson, Patrick Reed, Zach Johnson, Justin Thomas, Stacy Lewis, Ariya Jutanugarn, Alison Lee, Lexi Thompson, Inbee Park, Paula Creamer, Brittany Lincicome, Cristie Kerr and Morgan Pressel.
