SUBJECT: Item 6 - Proposed Administrative Revision to the CATSO FY 2020-2023 Transportation Improvement Program (TIP)

DATE: February 27, 2020

Attached is a proposed administrative revision to the approved CATSO FY 2020-2023 TIP document. The administrative revision includes a number of edits/revisions as requested/suggested by the FHWA Missouri office.

These revisions were not substantive, and do not meet the standard for a TIP amendment. Included were corrections to table labels and similar corrections. The revisions only apply to the narrative section of the TIP, and a revised version of that section is attached.

Previous Technical Committee Action

Staff gave an overview of the administrative revision and the edits to the adopted FY 2020-2023 TIP that were included.

Given that this is an administrative revision, the Technical Committee did not take any formal action as none was necessary.
