Rachel,

I'm unable to attend tonight's meeting regarding the Plues family's planned revision to the development plan for their house at 716 W. Broadway.

However, I did want to share our unwavering support for their plans. We own and reside at [116 Lindell Dr](#), directly behind their property. We are very much in favor of allowing them to modify the plan and proceed with construction as they have planned. We have no concerns or objections to anything they've proposed and look forward to seeing the finished product.

If anyone has any questions, or needs additional information, please feel free to contact me.

Sincerely,

Jason Becking

Hi Jason,

Thank you for the note, I'll put it in the file for the Planning Commission- they like to hear from the neighbors most directly impacted.

Rachel
