Re: Calling a Special Election to Consider an Ordinance Authorizing the Use of Automated Residential Refuse and Recycling Collection, Including the Use of Residential Roll Carts

## Executive Summary

At the request of the City Council, an ordinance has been prepared to call for a special election on the question to consider an ordinance authorizing the use of automated residential refuse and recycling collection, including the use of residential roll carts.

## Discussion

At the July 20, 2020 meeting, the City Council requested staff to prepare an ordinance to submit the question of whether to repeal City Code Sections 22-159(f), 22-159(g), 22-159.1(d) and 22-159.1(e) which prohibit the use of residential roll carts and automated refuse collection vehicles for roll carts to the voters. If the ordinance is passed by the City Council, the special election will be held on November 3, 2020.

## Fiscal Impact

Short-Term Impact: The final fiscal impact is unknown at this time. The cost is based on the various entities who have placed an item on the ballot for any particular election. However, the prepayment cost provided by the Boone County Clerk for the City's participation in the November 2020 special election is \$200,297.50.

Long-Term Impact: Not applicable.
