Ms. Bacon,

My name is Sandi Epple and I live at 1502 Sylvan Lane. I have owned my home for over 25 years. I am strongly against the rezoning of this property, not only will this lower my property value. The property is currently heavily wooded and offers privacy for 5 homes. I believe that since it is heavily wooded, it also provides a sound buffer from highway 63 traffic.

Thank you,  
Sandi Epple
