- (pp) Reserved Accessory and temporary uses of land and buildings: short-term rental.
 - <u>A.</u> <u>Short-term rental types.</u> Short-term rentals shall be classified as either "shortterm rental hosted" or "short-term rental un-hosted" dwelling units subject to the following provisions:
 - 1. A dwelling unit shall be considered "short-term rental hosted" if:

i. It is the primary residence of the owner of record and occupied by the owner for a period of two hundred seventy (270) or more calendar days per year;

ii. In the event the owner of record cannot be present while the home is utilized by transient guests as a short-term rental, the owner shall have a designated agent registered with the City of Columbia who can be a point of contact in the owner's absence. Such designated agent shall not be required to be onsite while the dwelling is utilized by transient guests as a short-term rental; however, the designated agent shall be located within the corporate limits of Columbia and shall be accessible 24-hours a day during any period of time the owner of record is not available. The designation of an agent shall not relieve the property owner of the requirement that the dwelling unit shall be the owner's primary residence.

- 2. <u>A dwelling unit shall be considered "short-term rental un-hosted" if:</u>
 - i. It is not the primary residence of the owner of record, or;

ii. It is occupied by the owner of record for a period of two hundred sixty-nine (269) or fewer calendar days per year.

- B. Authorization to operate.  - 1. <u>Administrative approval. A "short-term rental" may be authorized by</u> administrative action of the director pursuant to the following criteria:

<u>a.</u> <u>Not exceed two (2) transient guests per bedroom</u> <u>subject to the requirements of this section.</u> b. <u>All bedrooms offered for rental shall meet the</u> requirements of the adopted International Property Maintenance Code and other applicable codes and/or laws passed or adopted by the city. A non-conforming bedroom shall not be utilized for a short-term rental.

<u>c.</u> <u>Meet all of the other requirements of subsection 29-</u> 3.3(pp)C. of this section.

ii. Any short-term rental hosted or short-term rental un-hosted in the M-C or M-DT districts in which a short-term rental is an allowed permitted or accessory use and which meets the following conditions may be granted administrative approval by director:

- a. Not exceed two (2) transient guests per bedroom subject to compliance with the requirements of this section.
- b. All bedrooms offered for rental shall meet the requirements of the adopted International Property Maintenance Code and other applicable codes and/or laws passed or adopted by the city. A non-conforming bedroom shall not be utilized for a short-term rental.
- c. <u>Meet all of the other requirements of subsection 29-</u> <u>3.3(pp)C. of this section.</u>
- d. An operator of a short-term rental in M-C or M-DT seeking to exceed the transient guest limitations imposed by this section shall request approval of a conditional use permit by the city council.

<u>iii.</u> Any short-term rental un-hosted in any district which is an allowed permitted or accessory use and meets the following conditions may be granted administrative approval by the director:

- a. The short-term rental un-hosted is located on a lot that shares a property line with or is directly across a public or private street or public alley to the operator's primary residence in which a short-term rental hosted is operated or if the short-term rental un-hosted is located in a multi-family structure it shall be located in the same building as the operator's primary residence;
- b. No more than one (1) additional dwelling unit owned by the operator of a short-term rental hosted may be permitted to be approved by the director as a short-term rental un-hosted pursuant to this subsection;
- c. Not exceed two (2) transient guests per bedroom subject to compliance with the requirements of this section.

- d. All bedrooms offered for rental shall meet the requirements of the adopted International Property Maintenance Code and other applicable codes and/or laws passed or adopted by the city. A non-conforming bedroom shall not be utilized for a short-term rental.
- e. <u>Meet all of the other requirements of subsection 29-</u> <u>3.3(pp)C. of this section.</u>

<u>iv.</u> Any short-term rental un-hosted in any district which is an allowed permitted or accessory use and meets the following conditions may be granted administrative approval by the director:

- a. <u>The short-term rental un-hosted is operated as an</u> <u>accommodation to transient guests less than ninety-five</u> (95) nights per calendar year; and
- b. The property owner owns and/or operates no more than one (1) short-term rental within the city and may hold only one (1) short-term rental certificate of compliance. For purposes of this section, a property owner shall include any single individual who is a member, manager, officer, director, trustee, shareholder, or has other ownership interest in a business entity who owns or operates a short-term rental.
- <u>c.</u> Not exceed two (2) transient guests per bedroom subject to compliance with the requirements of this section.
- d. All bedrooms offered for rental shall meet the requirements of the adopted International Property Maintenance Code and other applicable codes and/or laws passed or adopted by the city. A non-conforming bedroom shall not be utilized for a short-term rental.
- e. <u>Meet all of the other requirements of subsection 29-</u> <u>3.3(pp)C. of this section.</u>
- 2. Conditional use permit. Any short-term rental which is not eligible for administrative approval and is located in a district for which a conditional use permit is authorized shall obtain a conditional use permit from the city council prior to its operation. Approval of a conditional use permit shall be in accordance with the provisions of section 29-6.4(m) of this chapter and shall be subject to the following additional standards:

i. In any residential zoning district the applicant may request up to a maximum of two (2) transient guests per. A short-term rental in any other zoning district may be subject to such occupancy limitations as may be determined appropriate based upon the criteria for approval of the conditional use permit.

ii. All bedrooms offered for rental shall meet the requirements of the adopted International Property Maintenance Code and other applicable codes and/or laws adopted or passed by the city. A nonconforming bedroom shall not be utilized for a short-term rental.

<u>iii.</u> <u>A separate certificate shall be required for each dwelling unit</u> <u>in a multi-family structure.</u>

iv. In a multi-family structure containing four (4) or more dwelling units or on a single lot containing four (4) or more dwelling units, a maximum of twenty-five percent (25%) of the dwelling units may be operated as a short-term rental un-hosted.

v. <u>Meet all the requirements of subsection 29-3.3(pp)C. of this</u> section.

- <u>C.</u> <u>Supplemental use-specific standards.</u> The following standards shall be applicable to all short-term rentals regardless of classification under subsection 29-3.3(pp)A.
 - 1. Adjacent property owner notification. The city shall provide public notice for any conditional use application seeking to increase the number of permitted transient guests for a short-term rental hosted or to establish a short- term rental un-hosted in accordance with the provisions of section 29-6.3(c) of this chapter.
 - 2. <u>Proof of ownership</u>. The property owner shall submit, upon forms provided by the city, an affidavit affirming the following:

(a) The dwelling unit to be used as a short-term rental is under the property owner's ownership,

(b) <u>The number of days the dwelling serves as the property</u> owner's primary residence, and

(c) The name, address and contact number of a designated agent when application to establish a short-term rental hosted is sought.

Designation of an agent shall be provided annually at the time of business license renewal or within thirty (30) days of any change to the required affidavit content.

- 3. <u>Property registration.</u> The property owner shall register the short-term rental with the city prior to being granted a certificate of compliance. Such registration shall follow the provisions of chapter 22 of this Code and shall grant the city the right to inspect the dwelling unit for compliance with all applicable city codes.
- 4. <u>Dual rental designation.</u> A dwelling unit that has an active certificate of compliance, pursuant to the Rental Unit Conservation Law, may apply

to have an approved short-term rental added to such certificate subject to the provisions of subsection 29-3.3(pp)B. and other applicable city codes, without requiring re-inspection.

If approved to become a short-term rental, the dwelling unit may be offered for rental purposes as either a short-term rental, subject to the provisions of subsection (pp), or as a traditional rental unit pursuant to the provisions of the Rental Unit Conservation Law of this Code. This dual designation shall not relieve the property owner of remittance of any applicable lodging taxes or business licensing requirements as adopted or passed by the city.

- 5. <u>Certificate of compliance posting.</u> The certificate of compliance issued by the city shall be conspicuously posted at the entry of the dwelling unit or in a readily available location onsite for review upon the request of a police officer or city inspector investigating a violation of this subsection (pp), chapter 16, article IV (Nuisances), or chapter 22, article V (Rental Unit Conservation Law) of this Code. In addition to posting the issued certificate, the operator shall post their contact information as well as the contact information of any designated agent.
- 6. Rental platform identification. Upon application to register a dwelling unit as a short-term rental and annually thereafter, the property owner shall provide the city with a list of all specific website or other media where the dwelling unit will be advertised for rental following issuance of a certificate of compliance. Such advertising shall include the certificate of compliance license number.
- 7. Dwelling unit usage.

i. Only one (1) rental reservation for the dwelling unit shall be permissible at any given time. If additional sleeping room or transient guest occupancy remains available it shall be unlawful to make a second reservation to maximize dwelling unit usage. The dwelling unit shall not be advertised as being available on an individual sleeping room basis.

ii. <u>The dwelling unit shall not be used for activities otherwise</u> prohibited by this Code.

- 8. Accessory Dwelling Units (ADUs) as short-term rentals. When a property has been legally authorized to accommodate an ADU, the property owner, at the time of application, shall designate which dwelling shall become a short-term rental. In no instance shall both the ADU and the principal dwelling be permitted to be utilized for short-term rental purposes.
- <u>9.</u> <u>Signage. One (1) non-illuminated building-mounted sign no greater</u> than one (1) square foot in area shall be permitted to identify the dwelling unit as a short-term rental. One (1) non-illuminated onsite

directional sign no greater than one-half (1/2) square foot shall be permitted for guest way-finding purposes.

- 10. Short-term rental certificate non-transferable. An active certificate of compliance that includes authorization to operate a dwelling unit as a short-term rental and, if applicable, any conditional use permit granted under the provisions of subsection 29-3.3(pp)B. shall be void upon sale of the dwelling unit. Establishment of the dwelling unit as a short-term rental by a new property owner shall require compliance with the provisions of subsection (pp) of this section. If the dwelling unit was approved to operate under a "dual" designation, the long-term rental certificate of compliance shall remain transferable pursuant to the provisions of chapter 22, article V (Rental Unit Conservation Law) of this Code.
- <u>11.</u> <u>Revocation of a certificate of compliance short-term rental.</u> <u>Operation of a short-term rental, regardless of classification, in violation of any of the foregoing provisions of subsection (pp) of this section shall constitute a violation of this Code and shall be subject to any fines and penalties of such. Any property owner who has had the short-term rental certificate of compliance revoked shall only be permitted to seek a conditional use permit to re-establish the short-term rental.</u>
