Allison Anderson, Engineering Supervisor  
701 East Broadway  
Columbia, Mo 65205

Dear Allison Anderson,

I'm writing on behalf of the CID Board of Directors to express our support of the 4th and Broadway crosswalk installation. Obtaining this crosswalk has been in the CID's masterplan for many years. We are excited to see it come to fruition.

As The District moves forward with the creation of the Gateway Plaza, planned to be complete early Fall 2021, on the corner of Broadway and Providence, the safety of our pedestrians and visitors to the plaza will be an utmost priority. The traffic calming effect this will bring to this somewhat hectic intersection would be a great benefit to these visitors every day and the weekend faith community.

We are happy to see this safety feature come to an otherwise unpassable intersection and has our full support.

Thank you for your consideration. Please contact me anytime with questions.

Many thanks,

A handwritten signature in black ink, appearing to read 'Nickie Davis', with a stylized flourish at the end.

Nickie Davis  
Executive Director  
Downtown Community Improvement District
