Re: Zoning Text Amendments - # **A10: 29-4.3(i)(2)(vi) Location and design of stacking lanes**
(Case #49-2021)

Executive Summary

Approval will amend the Section 29-4.3(i)(2)(vi) of the Unified Development Code to revise "land" to "lane" when referring to a by-pass lane.

Discussion

Replace "land" with "lane" as noted in Section 29-4.3(i)(2)(vi) when referring to a by-pass lane, which is required for a drive-through facility. The term "land" was used in error.

The Planning and Zoning Commission considered this request at their January 21, 2021 meeting. Staff presented its report. No member of the public spoke during the public hearing. Following limited discussion, a motion to approve the zoning text amendment passed (8-0). As a note, the PZC reviewed a draft of the proposed text amendment during three work sessions prior to the public hearing.

The Planning Commission staff report, proposed text amendment sheet, and meeting minute excerpts are attached.
