Re: Authorizing the Acquisition of an Additional Easement for the Country Club Drive South Water Main Replacement Project.

Executive Summary

Staff has prepared for Council consideration an ordinance authorizing the acquisition of an additional easement necessary for the construction of a water main along Country Club Drive South and Elliot Drive, as shown on the attached Diagram. A public hearing for this project was held on June 3, 2019.

Discussion

The Water & Light division of City of Columbia Utilities has identified the need to replace water distribution infrastructure and complete a water main loop closure along Country Club Drive South & Elliott Drive. The proposed new water main will be approximately 3000 linear feet constructed along Country Club Drive South and across private property to tie to an existing water main on Elliot Drive. The total estimated cost of this project is \$560,000

An ordinance (B169-19) to acquire easements for this project was previously approved on July 1, 2019. This ordinance includes one (1) additional water and electric easement necessary to complete the construction of the water main loop.

Funding has been appropriated under project number W0230 of the Capital Improvement Program.

Fiscal Impact

Short-Term Impact: Funding of \$560,000 has been appropriated for this Water Main Replacement Project under the Capital improvement Program project number W0273.

Long-Term Impact: None.
