Mayor and City Council
701 East Broadway
Columbia, Mo 65205

Dear Mayor Treece and City Council Members:

On Tuesday, March 9, 2021 the Board of Directors of the Downtown Community Improvement District (CID) unanimously voted to support for the proposed construction for the Flat Branch Park expansion project. It is our understanding that this is to include building demolition, installation of sidewalks, stairs, retaining walls, lighting, landscaping and the restoration of the creek bank.

As you know, The CID is currently fulfilling its commitment to develop the Gateway Plaza portion of the Park Master Plan. The Flat Branch Park expansion project is also important part of this plan. It is our hope that both will be completed and dedicated as part of the City of Columbia's Bicentennial.

The Board also wishes to thank the Parks and Recreation Department and the COMO 200 Task Force for their work on this initiative.

Many thanks,
