

LAW DEPARTMENT

MEMORANDUM

TO: Persons Filing Protest Petitions Against Proposed Zoning Amendments

FROM: Law Department

DATE: February 10, 2021

RE: Requirements of Protest Petitions

City ordinance \$29-6.4(n)(1)(ii)(E) provides that protests against a proposed zoning amendment presented by owners of thirty percent (30%) or more of the property within 185 feet of the tract proposed to be rezoned will require the amendment to be passed by a two-thirds vote of the Council (five votes) instead of a simple majority.

To be a valid protest petition, the following is required:

- 1. <u>ALL</u> owners of each tract within the 185 feet limit must sign the petition in order for that tract to be counted toward the necessary 30% of the surrounding property. For example, if the tract is owned by husband and wife, <u>BOTH SPOUSES MUST</u> <u>SIGN THE PETITION</u>.
- 2. Eligible property for the protest is determined by drawing lines parallel to and 185 feet from the tract proposed to be rezoned.
- 3. **EACH** signature on the petition must be notarized by a notary public in order to be counted.
- 4. Protest petitions must be filed with the City Clerk no later than noon on the Wednesday before the City Council meeting at which the proposed amendment is scheduled to be considered for passage.

After receipt by the City Clerk, the Planning Department will verify that the protest petition meets these requirements. If the requirements are not met, the Council will not be required to pass the protested zoning amendment by a two-thirds vote.
