RE: Arbor Falls PD Amendment

Dear Mr. Teddy,

On behalf of Boone Development, we would like to formally request the Plan amendment for Arbor Falls Phase 4 scheduled for the Planning and Zoning Meeting on July 8th, be tabled to the August 19th Meeting.

In response to comments and issues brought up at the Planning and Zoning Commission public hearing the owner wishes additional time to consider modifications to the request and to meet with interested parties to discuss potential ways to address the issues.

Feel free to contact me with any questions or concerns regarding this request.

Sincerely,

A Civil Group, LLC
