#### Missouri State Auditor

#### **MEMORANDUM**

July 20, 2021

**TO:** 09-010-0003 City of Columbia

**RE:** Setting of 2021 Property Tax Rates

The following are the tax rate computational forms that have been reviewed. Please follow the steps below to complete the process of setting your 2021 Property Tax Rate(s).

- 1. Lines G BB on the Summary Page should be completed to show the actual tax rate(s) to levy.
- 2. Please sign and date the Summary Page.
- 3. Please **submit the <u>finalized</u> tax rate forms ready for certification to the County Clerk of each county** that your political subdivision resides in. The County Clerk must also sign the Summary Page and indicate the proposed tax rate to be entered on the tax books before submitting rate(s) to the State Auditor's Office for final review and certification.

If the attached calculation differs from the questionnaire submitted for review, please review the following line items for the reason(s) for the difference.

• Form A, Line 2b - New Construction & Improvements - Personal Property

Section 137.073.4, RSMo, states that the aggregate increase in valuation of personal property for the current year over that of the previous year is the equivalent of the new construction and improvements factor for personal property.

• Form A, Line 5 - Prior Year Assessed Valuation

If the 2021 questionnaire has a different amount on Form A, Line 5 than was previously submitted, we had to revise the 2020 calculation for this change. The revised 2020 tax rate ceiling is listed on the 2021 Summary Page, Line A. Your primary County Clerk should forward a copy of the revised 2020 calculation; please keep this form for your files.

• (SCHOOL DISTRICTS ONLY) Form A, Line 14

We revised the information the school district submitted on Line 14 to the amount computed by the Department of Elementary and Secondary Education (DESE).

If you have any questions about the enclosed forms, please contact the local government section at (573-751-4213.)
