Re: Accepting the performance of VidWest under contract dated October 11, 2019 and relieving VidWest of any further contract obligations.

## Executive Summary

This resolution would accept the performance of VidWest under contract dated October 11, 2019 and relieve the organization of any further contract obligations.

## Discussion

In response to an RFP for services issued by the City, the City and VidWest entered into a contract for the provision of certain services on October 11, 2019. VidWest has been unable to fulfill the terms of the contract for services and has requested the City Council to relieve it from any further obligations under the terms and conditions of the contract.

This resolution has been drafted at the request of Council member Thomas. It waives any additional services to be provided by VidWest under the contract and would end the contract with payment previously expended in full satisfaction for all prior services performed as of the date of termination. If VidWest is not awarded a contract to perform similar services during FY 2022, VidWest would be required to return all equipment loaned to the organization (Exhibit B of the Contract) along with any equipment purchases with funds provided by the City pursuant to the Contract.
