V. OLD BUSINESS

VI. NEW BUSINESS

BeHeard Como Input

Stephanie Brown will get the amount of Strategic Plan surveys submitted through BeHeardComo at Jay's request.

Tish suggested that they may need to consider another format for gathering input if people are not using the current survey. The group discussed breaking the Strategic Plan into the different priority areas for reporting and public input sessions and assigning and enlisting assistance from coordinating Boards and Commissions. They will consider starting this approach next year.

Sasha mentioned that the Mayor requested that the commission "revision" their vision. The February report to Council will include their current actions and progress, future plans and a review of their vision.

The group discussed possibly having a city employee to assist with marketing and engagement.

Jacque will write a draft summary for the report of the proposed future plan and approach.

Tish will reach out to Carol Rhodes regarding the December 10 event.

Seth expressed concerns about the attendance of commission members and why some have not attended meetings. The group will request attendance data from Carol.
