**Enactment date:**      **Enactment #:**

**Title:** Economic Development, Stacey Button

- Request for Proposals (RFP) for the owners representative for the new terminal went out a couple of weeks ago and closed on January 22nd. The review committee will be evaluating the proposals and will hopefully be moving forward soon with that step. The owners representative would be a consultant group or engineering firm that would represent the City's interest as we move forward with issuing a Request for Qualifications (RFQ) for the design-build team for the new terminal project.
