### **Case # 16-2019**

A request by Robert Hollis (attorney), on behalf of TKG Biscayne LLC (owner), seeking approval of a 11'6" building height variance to permit exterior architectural features to exceed the maximum permitted structure height within the M-C (Mixed-Use Corridor) zoning district, on property addressed as 201 N. Stadium Boulevard and more specifically described as the former Macy's building located at the Shoppes at Stadium, which is not permitted per Section 29-4.1 of the Unified Development Code.
