This item is open to the public: Motion for City Council to go into closed session to discuss:

- Existing or proposed security systems and structural plans of real property owned or leased by a public governmental body, and information that is voluntarily submitted by a nonpublic entity owning or operating an infrastructure to any public governmental body for use by that body to devise plans for protection of that infrastructure, the public disclosure of which would threaten public safety. The disclosure of such information would impair the city's ability to protect the security or safety of persons or real property and the public interest in nondisclosure outweighs the public interest in disclosure of the information to be discussed pursuant to Section 610.021(19) RSMo.
