- 1.3.11 The Contractor shall report to the state agency's Security Officer any breach immediately upon becoming aware of such incident and shall take immediate action to stop the continuation of any such incident. By no later than five (5) days after the Contractor becomes aware of such incident, the Contractor shall provide the state agency's Security Officer with a description of the breach, the information compromised by the breach, and any remedial action taken to mitigate any harmful effect of such incident and a proposed written plan for approval that describes plans for preventing any such future incidents.

- 1.3.14 Contractor shall not directly or indirectly receive remuneration in exchange for any Protected Health Information without a valid authorization.
- 1.3.15 If the Contractor becomes aware of a pattern of activity or practice of the state agency that constitutes a material breach of contract regarding the state agency's obligations under the Business Associate Provisions of the contract, the Contractor shall notify the state agency's Security Officer of the activity or practice and work with the state agency to correct the breach of contract.
- 1.3.16 To the extent not prohibited by law, the Contractor shall indemnify the state agency from any liability resulting from any violation of the Privacy Rule or Security Rule or Breach arising from the conduct or omission of the Contractor or its employee(s), agent(s) or subcontractor(s). The Contractor shall reimburse the state agency for any and all actual and direct costs and/or losses, including those incurred under the civil penalties implemented by legal requirements, including but not limited to HIPAA as amended by the Health Information Technology for Economic and Clinical Health Act, and including reasonable attorney's fees, which may be imposed upon the state agency under legal requirements, including but not limited to HIPAA's Administrative Simplification Rules, arising from or in connection with the Contractor's negligent or wrongful actions or inactions or violations of this Agreement. Nothing herein shall constitute a waiver of sovereign immunity.
- 1.4 Obligations of the State Agency:
  - 1.4.1 The state agency shall notify the Contractor of limitation(s) that may affect the Contractor's use or disclosure of Protected Health Information, by providing the Contractor with the state agency's notice of privacy practices in accordance with 45 CFR 164.520.
  - 1.4.2 The state agency shall notify the Contractor of any changes in, or revocation of, authorization by an Individual to use or disclose Protected Health Information.
  - 1.4.3 The state agency shall notify the Contractor of any restriction to the use or disclosure of Protected Health Information that the state agency has agreed to in accordance with 45 CFR 164.522.

Information. This provision shall also apply to Protected Health Information that is in the possession of subcontractor or agents of the Contractor.

- 1.5.1 In the event the state agency determines that returning or destroying the Protected Health Information is not feasible, the Contractor shall extend the protections of the contract to the Protected Health Information for as long as the Contractor maintains the Protected Health Information and shall limit the use and disclosure of the Protected Health Information to those purposes that made return or destruction of the information infeasible. If at any time it becomes feasible to return or destroy any such Protected Health Information maintained pursuant to this paragraph, the Contractor must notify the state agency and obtain instructions from the state agency for either the return or destruction of the Protected Health Information.
- 1.6 Breach of Contract – In the event the Contractor is in breach of contract with regard to the business associate provisions included herein, the Contractor agrees that in addition to the requirements of the contract related to cancellation of contract, if the state agency determines that cancellation of the contract is not feasible, the State of Missouri may elect not to cancel the contract, but the state agency shall report the breach of contract to the Secretary of the Department of Health and Human Services.

**ANTI-DISCRIMINATION AGAINST ISRAEL ACT CERTIFICATION**

**Statutory Requirement:** Section 34.600, RSMo, precludes entering into a contract with a company to acquire products and/or services “unless the contract includes a written certification that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.”

**Exceptions:** The statute provides two exceptions for this certification: 1) “contracts with a total potential value of less than one hundred thousand dollars” or 2) “contractors with fewer than ten employees.” Therefore the following certification is required prior to any contract award.

Section 34.600, RSMo, defines the following terms:

**Company** - any for-profit or not-for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of those entities or business associations.

**Boycott Israel and Boycott of the State of Israel** - engaging in refusals to deal, terminating business activities, or other actions to discriminate against, inflict economic harm, or otherwise limit commercial relations specifically with the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, that are all intended to support a boycott of the State of Israel. A company’s statement that it is participating in boycotts of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, or that it has taken the boycott action at the request, in compliance with, or in furtherance of calls for a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel shall be considered to be conclusive evidence that a company is participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel; provided, however that a company that has made no such statement may still be considered to be participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel if other factors warrant such a conclusion.

**Certification:** The Contractor must therefore certify their current status by completing either Box A, Box B, or Box C on the next page of this Exhibit.

- b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provisions shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties unless terminated by consent of both the Contractor and the state.
- c. The Contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri and other regulatory agencies, as may be required by law or regulations.

## **8. CANCELLATION OF CONTRACT**

At its sole discretion, the state may give the Contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the Contractor must provide the state within 10 working days from notification a written plan detailing how the Contractor intends to cure the breach.
- b. If the Contractor fails to cure the breach or if circumstances demand immediate action, the state will issue a notice of cancellation terminating the contract immediately. If it is determined the state improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- c. - e. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.

If discrimination by a Contractor is found to exist, the state shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the state until corrective action by the Contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.
