Comments:

Besides being worried about the kids, this would be backed by all the owners on spencer ave.

Andrew,

The Contact Center received a call this afternoon that got sent through to me concerning the Spencer Ave Traffic Calming Project.

The customer, Melinda Gardner, called and said that she was supportive of the project, but would like to see the speed humps changed to have 20 mph speed humps and not 15 mph speed humps as shown.

I told her I would pass it along to you.

If you have any questions, please let me know.

Thanks.
