Council Meeting Date: March 20, 2023

Re: Professional Engineering Services Agreement with Burns and McDonnell Engineering Company for Environmental and Planning Services at Columbia Regional Airport

Executive Summary

Staff has prepared for Council consideration a resolution authorizing the City Manager to execute a 5-year professional engineering services agreement with Burns and McDonnell Engineering Company related to environmental and planning services at Columbia Regional Airport.

Discussion

The Purchasing division solicited Requests for Qualification for airport consulting services at the Columbia Regional Airport. The required services included specialized airport environmental and planning services for projects listed in the Airport Improvement Program (AIP) within the next five years. Burns and McDonnell Engineering Company was selected based on their qualifications and experience.

This agreement is for a five year period and will encompass all of the projects specified in Section 2 of the agreement. The City of Columbia reserves the right to enter into a separate agreement with a different engineering firm if appropriate depending on project specifications. Burns and McDonnell Engineering Company will provide a scope of services, with cost estimates, when the City is prepared to move forward with a specific project contained in this agreement.

Fiscal Impact
