SUBJECT: Public Hearing - Revised 2025 Update to Coordinated Public Transit Human Services Transportation Plan

DATE: December 4, 2025

The 2025 Coordinated Public Transit Human Services Transportation Plan attached is a revised and updated version of the earlier update adopted by the CATSO Coordinating Committee on May 22, 2025. The previous plan was adopted in May, 2018. This revised version updates the analysis done previously with data from the Comprehensive Transit Plan surveys done in 2024. The revised section of the plan (Section II, B.) extends from page 23 through page 30 and describes the survey responses.

The preparation of the Plan is a requirement for local providers to receive Federal Transit Administration (FTA) funding for operations and capital purchases.

*Previous Technical Committee Action*

At their meeting of November 5, 2025, the CATSO Technical Committee reviewed the proposed update to the Plan. After discussion, the Committee passed a motion recommending that the CATSO Coordinating Committee give the Plan formal approval after holding a public hearing at their December 4, 2025 meeting.

*Suggested Coordinating Committee Action*

If the committee finds the proposed Plan acceptable, after holding a public hearing, pass a motion to approve the proposed 2025 Coordinated Public Transit Human Services Transportation Plan.
