Re: Authorizing an amended grant agreement with the Missouri Department of Economic Development; amending the FY 2024 Annual Budget by appropriating funds

### Executive Summary

Ordinance B320-23 was introduced and read at the December 18, 2023 Council meeting. This is an amendment to that ordinance which replaces the original agreement with an amended agreement.

### Discussion

The City has been awarded a grant from the Missouri Division of Tourism to help support community-wide Juneteenth celebrations. This ordinance will authorize the City Manager to sign the grant agreement and will appropriate the funds. The original agreement will be replaced with the attached amended agreement.

Applications for the use of these funds will be available to community event organizers and a selection committee will review the applications and make recommendations for funding.

Because of the scope of work of this committee, we are requesting the Mayor seek input from the Council to select community members to serve on this committee and work with city staff.
