Re: Extension of the FY 22 CDBG Agreement with Services for Independent Living

## Executive Summary

Approval of the resolution would authorize approval of an extension of the FY 22 Community Development Block Grant (CDBG) funding agreement with Independent Living Center of Mid-Missouri, Inc. (d/b/a Services for Independent Living).

## Discussion

Services for Independent Living (SIL) has requested an extension of their FY 2022 CDBG Agreement through March 31, 2024. SIL had several staffing changes during calendar 2023, which led to them not being able to fully expend their funds. (The agreement with SIL also was entered later than is typically the case due to delays with the FY2022 Annual Action Plan approval). They have indicated that their staffing issues have now been resolved and they will be able to fully expend their funds by March 31, 2024.

The original FY 2022 CDBG SIL Agreement was approved by the City Council on February 20, 2023, signed by the City Manager on February 21, 2023 and expires on December 31, 2023. The new date the Agency agrees that all work shall be completed and funds expended by is March 31, 2024.

SIL provides for home modifications to provide accessibility for persons with disabilities and the elderly and is in need of funding to expand their home modification program. These services are vital to our community.
