2. Subordination.

2.1 Except as specifically provided below, each party hereto agrees to the following priority for the provisions contained in the Loan Documents and any and all liens and/or encumbrances created thereby and subordinates and agrees to continue to subordinate its respective Loan Documents and liens and/or encumbrances created thereby to those Loan Documents and liens and/or encumbrances that are listed as having a priority over its Loan Documents and liens and/or encumbrances created thereby as follows:

<u>Loan</u>	<u>Order of Priority</u>
Bond Loan Documents	First
Subordinate Loan Documents	Second

The parties hereto acknowledge that it is a condition of receiving low-income housing tax credits that the Borrower file a regulatory agreement (the “**Regulatory Agreement**”). The Senior Lender and the Subordinate Lender further agree that the Regulatory Agreement is subordinate to the Bond Loan and

Bond Loan Documents, the Subordinate Loan and the Subordinate Loan Documents, except to the extent required to comply with the affordability period.

2.2 The foregoing agreements set forth in Section 2.1 are made irrespective of (a) the time, order, manner or method of creation, attachment or perfection of the respective security interests or liens granted to any Lender in or on the Senior Collateral or any improvements or other real or personal property located on, arising out of, or relating to the Senior Collateral, (b) the time or manner of the filing of their respective mortgages, assignments of leases, or financing statements, (c) the dating, execution or delivery of any agreement, document or instrument granting any Lender security interests or liens in or on any or all of the Senior Collateral, (d) any knowledge of, or actual or constructive notice to, any Lender of the obligations to any other Lender, (e) the giving or failure to give notice of the acquisition or expected acquisition of any purchase money or other security interests and (f) any provision of the UCC or any other applicable law to the contrary. For purposes of the foregoing allocation of priorities, any claim of a right of setoff shall be treated in all respects as a security interest and no claimed right of setoff shall be asserted to defeat or diminish the rights or priorities provided for herein. The subordinations and relative priority arrangements set forth in this Agreement are applicable regardless of whether the security interest or lien to which another security interest or lien is junior is not perfected or is voidable for any reason.

2.3 The Senior Lender shall provide the Subordinate Lender with written notice of any default or event of default under any of the Bond Loan Documents and will give the Subordinate Lender a reasonable opportunity, not more than thirty (30) days from the notice of default, to cure any such default before exercising any remedies allowed under the Bond Loan Documents. The Borrower hereby authorizes the Senior Lender to provide copies of such notices. In the event of any such Senior Lender's sale, UCC sale or other foreclosure sale, the proceeds shall be applied as provided in Section 2.4. Upon the effectiveness of any Senior Lender's, UCC or foreclosure sale, or conveyance and transfer in lieu thereof, the Senior Collateral shall be free and clear of any liens and security interests of any Subordinate Lender.

2.4 The Borrower and the Subordinate Lender authorize, instruct and direct the Senior Lender to apply any proceeds derived from any Senior Lender's sale, UCC sale or other foreclosure sale or deed in lieu of foreclosure sale of the Senior Collateral conducted pursuant to the Bond Loan Documents to be applied, first, to the payment of the Senior Obligations, in such order and priority as may be provided in the Bond Loan Documents, until the Senior Obligations are Satisfied. If the Senior Obligations are Satisfied, then any excess proceeds from the Senior Collateral remaining thereafter, shall be applied to the Subordinate Loans in the order of priority set forth in Section 2.1.

3. Intentionally Omitted.

4. Representations and Agreements of Subordinate Lender. Subordinate Lender and the Borrower represent and warrant (as to itself only) to, and covenant and agree with, the Senior Lender and the Bondholder as follows:

4.1 Subordinate Lender is the holder and legal owner of the Subordinate Loan Documents. True, correct and complete copies of all of the Subordinate Loan Documents with respect to the Subordinate Loan has been delivered to the Senior Lender and the Bondholder on or prior to the date hereof.

4.2 The terms and provisions of this Agreement do not violate any term or provision of any of the Subordinate Loan Documents.

4.3 The Subordinate Lender will use commercially reasonable efforts to provide the Senior Lender and the Bondholder with written notice of the declaration by any Subordinate Lender of any default

or event of default under any of the Subordinate Loan Documents. The Borrower hereby authorizes Subordinate Lender to provide copies of such notices.

4.4 The Subordinate Lender agree not to oppose, interfere with or otherwise attempt to prevent the Senior Lender from enforcing its security interests in and liens on any of the Senior Collateral or otherwise realizing upon any of the Senior Collateral.

4.5 The Subordinate Lender agrees not to amend, modify or supplement the Subordinate Loan Documents without the prior consent of the Senior Lender and the Bondholder, which consent shall not be unreasonably withheld. Notwithstanding this provision, the failure to obtain the consent of Senior Lender and the Bondholder shall have no effect on the validity of any amendments, modifications or supplements to the Subordinate Loan Documents unless any such amendments, modifications or supplements to the Subordinate Loan Documents materially impair Senior Lender's rights under the Bond Loan Documents or its ability to pursue any rights or remedies thereunder.

4.6 The Bond Loan Documents shall supersede and govern all agreements of Borrower relating to escrowing of tax and insurance payments, replacement reserves and other reserves.

5. Notice to Senior Lender and Opportunity to Cure. In the event of any default or event of default under any of the Subordinate Loan Documents, Subordinate Lender shall give Senior Lender and the Bondholder thirty (30) days' written notice and a reasonable opportunity to cure before exercising any remedies allowed under the Subordinate Loan Documents.

6. Bankruptcy.

6.1 In the event of any dissolution, winding-up, liquidation, readjustment, reorganization or other similar proceedings relating to the Borrower, the Borrower's creditors or the Senior Collateral (whether voluntary or involuntary, in bankruptcy or out of bankruptcy or in connection with the sale of substantially all of the assets of the Borrower or the Senior Collateral), the Senior Obligations shall be Satisfied before any of the Subordinate Obligations are paid.

6.2 If an Insolvency Proceeding occurs, then the parties agree that any proceeds derived from such Insolvency Proceedings shall be distributed to the Senior Lender until the Senior Obligations have been Satisfied, and then in accordance with the priority set forth in Section 2.1. Subordinate Lender agrees that, in the event of any Insolvency Proceeding with respect to or involving any Obligor, until the Senior Obligations have been Satisfied, any payments or distribution of any kind or character, whether in cash, securities or other property which would otherwise (but for these subordination provisions) be payable or deliverable in respect of any Subordinate Loans shall be paid or delivered directly to the Senior Lender for application in payment of the Bond Loan (or to a banking institution selected by the court or other Person making the payment or delivery or designated by the Senior Lender) for application as determined by the Senior Lender in its sole and absolute discretion.

6.3 If the Senior Lender desires to permit use of cash collateral or to provide financing to the Borrower under either Section 363 or Section 364 of the Bankruptcy Code, then Subordinate Lender agrees as follows: (a) adequate notice to Subordinate Lender shall have been provided for such financing or use of cash collateral if Subordinate Lender receives notice ten (10) Business Days prior to the entry of the order approving such financing or use of cash collateral and (b) no objection will be raised by Subordinate Lender to any such financing or use of cash collateral on the ground of a failure to provide "adequate protection" for Subordinate Lender or any other grounds, all of which objections are hereby waived and released.

7. Casualty or Condemnation. If any of the Senior Collateral is damaged by fire or other casualty loss, or if any of the Senior Collateral is taken under the power of eminent domain or other condemnation, then, subject to the terms of the Bond Loan Documents all insurance proceeds and condemnation awards shall be paid to the Senior Lender and Subordinate Lender hereby assign their rights to receive such proceeds and awards to the Senior Lender until the Senior Obligations have been Satisfied with any excess proceeds paid in accordance with the Subordinate Loan Documents in the order of priority set forth in Section 2.1. Subject to the terms of the Bond Loan Documents, the Senior Lender shall have the sole and exclusive right to adjust, compromise or settle any such loss with the insurer thereof, and to collect and receive the proceeds from such insurer or awards from the condemning authority. Any insurer shall be immune from claims against it by Subordinate Lender if they act in reliance on the provisions of this paragraph. Subject to the terms of the Bond Loan Documents, the Senior Lender shall have the sole right, subject to the express provisions of the Bond Loan Documents, to determine whether any insurance proceeds or condemnation awards will be made available for restoration of the Senior Collateral following any casualty or condemnation. If, and to the extent the Senior Lender agrees to make available any such proceeds or awards for restoration of the Senior Collateral, Subordinate Lender hereby waives any right under the Subordinate Loan Documents that may give such Subordinate Lender the right to require that such proceeds or awards be applied to repayment of the Subordinate Loans.

8. Merger. If the Senior Lender or any affiliate thereof acquires title to the Senior Collateral by deed, bill of sale, assignment or other transfer, Subordinate Lender agrees that such acquisition of title shall not cause the Senior Security Deed of Trust, or the other Bond Loan Documents, to be terminated by reason of the doctrine of merger unless the Senior Lender intends for such termination to occur which intention must be expressly stated in a written instrument executed by the Senior Lender; and Subordinate Lender agrees not to assert any claim that such termination has occurred until such time as any such instrument is so recorded.

9. Amendment of Senior Obligations. The Senior Lender may, from time to time, without notice to or consent by any Subordinate Lender, take any and all other actions, including the following actions, all without impairing the validity or priority of the Bond Loan Documents or affecting the subordination provided for in this Agreement:

9.1 Increase the principal amount of the Senior Obligations (including, without limitation advances to protect the Senior Collateral); or

9.2 Retain or obtain a security interest in any other property to secure any of the Senior Obligations; or

9.3 Extend or renew for one or more periods, the maturity of the Senior Obligations, increase or decrease the interest rate payable under the Bond Loan Documents, increase or decrease the principal amortization required under the Bond Loan Documents or amend or modify any other provision of the Bond Loan Documents (including without limitation any amendment in connection with a refinance of the Senior Obligations); or

9.4 Release or compromise any obligation of any nature of any obligor or guarantor of the Senior Obligations or forebear from enforcement of the Senior Obligations for any period of time on such terms and conditions as the Senior Lender may determine in the Senior Lender's sole and absolute discretion; or

9.5 Release any collateral for the Senior Obligations, permit the substitution of collateral therefor or take any other action with respect to the Senior Collateral as the Senior Lender may deem appropriate in its sole and absolute discretion; or

9.6 Assign, from time to time, any or all of the Senior Obligations or grant participation interests therein; or

9.7 Appoint a receiver for the Senior Collateral.

10. No Third Party Beneficiaries.

10.1 All undertakings, agreements, representations and warranties contained in this Agreement are solely for the benefit of the Lenders and there are no other parties (including, without limitation, the Borrower) who are intended to be benefited in any way by this Agreement. The existence of this Agreement shall not commit or obligate any Lender to make loans or extend credit to the Borrower.

10.2 Nothing contained in this Agreement is intended to affect or limit in any way the security interests or liens that the Lenders have in or on any or all of the property and assets of the Borrower, whether tangible or intangible, insofar as the Borrower, and third parties are concerned. Lenders specifically reserve all respective security interests and liens and rights to assert such security interests and liens as against the Borrower and third parties.

11. Waivers. Subordinate Lender hereby waives any and all rights to (a) require the Senior Lender to marshal any property or assets of the Borrower or to resort to any of the property or assets of the Borrower in any particular order or manner, (b) require the Senior Lender to enforce any guaranty or any security interest or lien given by any person or entity other than the Borrower to secure the payment of any or all of the Bond Loan as a condition precedent or concurrent to taking any action against or with respect to the Senior Collateral, (c) bring any action to contest the validity, legality, enforceability, perfection, priority or avoidability of the Bond Loan, any of the Bond Loan Documents or any of the security interests or liens granted by the Borrower in favor of the Senior Lender in or on the Senior Collateral, or (d) otherwise contest the Senior Lender's collection, protection of or realization upon the Bond Loan. Until the Senior Obligations have been Satisfied, Subordinate Lender waives and releases any and all rights of subrogation which Subordinate Lender may now or hereafter have against the Senior Collateral which would result in Subordinate Lender obtaining a priority equal or superior to the priority of the Bond Loan Documents.

12. Term of Agreement. This Agreement shall remain in full force and effect until all Loans shall have been Satisfied. This Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Loans is rescinded or must otherwise be returned by a Lender upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payment had not been made.

13. Further Assurances. Subordinate Lender hereby covenants and agrees to take any and all additional actions and execute, deliver, file or record any and all additional agreements, documents and instruments as may be necessary or as the Senior Lender and/or Bondholder may from time to time reasonably request to effect or confirm the subordination and other provisions of this Agreement.

14. Notices.

14.1 The Borrower hereby consents to and authorizes the Senior Lender and Subordinate Lender to generally communicate with each other regarding the status of each of their loans with the Borrower which communications may include, without limitation, giving copies of any notices of default sent under the Bond Loan Documents or the Subordinate Loan Documents, as the case may be.

14.2 Subordinate Lender hereby assumes responsibility for keeping themselves informed of the financial condition of the Borrower and of all other circumstances bearing upon the risk of nonpayment of the Subordinate Loans that diligent inquiry would reveal. Except as provided in this Agreement,

Subordinate Lender hereby agrees that the Senior Lender shall have no duty to advise such Subordinate Lender of any information regarding such condition or any such circumstances.

14.3 Any notice, request, demand, consent or other communication hereunder shall be in writing and delivered in person or sent by registered or certified mail, return receipt requested and postage prepaid, to the applicable party at its address set forth on the cover page hereof, or at such other address as any party hereto may designate as its address for communications hereunder by notice so given. Such notices shall be deemed effective on the day on which delivered or sent if delivered in person, or on the third (3rd) business day after the day on which mailed, if sent by registered or certified mail.

14.4 If the Senior Lender shall be required by the Uniform Commercial Code or any other applicable law to give notice to Subordinate Lender of any action taken or to be taken by the Senior Lender against or with respect to any or all of the Senior Collateral, such notice shall be given in accordance with this Agreement and at least five (5) business days' notice shall be conclusively deemed to be commercially reasonable.

15. Reliance by the Senior Lender. All of the Senior Obligations shall be deemed to have been made or incurred in reliance upon this Agreement. Subordinate Lender expressly waives all notice of the acceptance by the Senior Lender of the provisions of this Agreement and all other notices not specifically required pursuant to the terms of this Agreement or applicable law. Subordinate Lender agrees that the Senior Lender has not made any representation or warranty with respect to the due execution, legality, validity, completeness or enforceability of any of the Bond Loan Documents, the creation, attachment, perfection or priority or any security interest or lien securing any or all of the Senior Obligations or the collectability of any of the Senior Obligations. The Senior Lender shall be entitled to manage and supervise its credit facilities with the Borrower in accordance with applicable law and its usual business practices, modified from time to time as it deems appropriate under the circumstances, without regard to the existence of any rights that any Subordinate Lender may have now or hereafter in or to any of the property or assets of the Borrower, and the Senior Lender shall have no liability to any Subordinate Lender for any loss, claim or damage allegedly suffered by Subordinate Lender in any proceeding by the Senior Lender to foreclose or otherwise enforce any of its security interests in or liens on any of the Senior Collateral.

16. Miscellaneous.

16.1 This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns, including, without limitation the holders, from time to time, of the Subordinate Obligations and the Senior Obligations, respectively.

16.2 This Agreement shall be governed by the laws of the state of Missouri, without regard to its rules regarding conflicts of laws.

16.3 This Agreement and other documents to be delivered under this agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy and all of which, when taken together, will be deemed to constitute the same Agreement or document. The delivery of copies of this Agreement or other documents to be delivered under this Agreement, including executed signature pages where required, by electronic transmission will constitute effective execution and delivery of this Agreement or such other document for all purposes. Signatures transmitted electronically will constitute original signatures for all purposes.

16.4 This Agreement shall be recorded in the Official Records.

16.5 If any litigation occurs under this Agreement, then the prevailing party shall be entitled to recover from the non-prevailing party the amount of all of prevailing party's expenses incurred in

connection with or as a result of such litigation, including, without limitation, the prevailing party's reasonable attorneys' fees actually incurred.

16.5 Subordinate Lender hereby covenants and agrees to take any and all additional actions and execute, deliver, file and/or record any and all additional agreements, documents and instruments as may be reasonably necessary or as the Senior Lender or Bondholder may from time to time reasonably request to effect the subordination and other provisions of this Agreement.

16.6 No failure or delay on the part of any Subordinate Lender or the Senior Lender in the exercise of any power, right, remedy or privilege under this Agreement shall impair such power, right, remedy or privilege or shall operate as a waiver thereof; nor shall any single or partial exercise of any such power, right, remedy or privilege preclude any other or further exercise of any other power, right, remedy or privilege. The waiver of any such right, power, remedy or privilege with respect to particular facts and circumstances shall not be deemed to be a waiver with respect to other facts and circumstances.

16.7 Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Agreement.

16.8 Each party to this Agreement acknowledges that the breach by it of any of the provisions of this Agreement is likely to cause irreparable damage to the other party. Therefore, the relief to which any party shall be entitled in the event of any such breach or threatened breach shall include, but not be limited to, a mandatory injunction for specific performance, injunctive or other judicial relief to prevent a violation of any of the provisions of this Agreement, damages and any other relief to which it may be entitled at law or in equity.

16.9 This Agreement shall represent the entire, integrated agreement between the parties hereto with respect to the subject matter hereof and shall supersede all prior negotiations, representations or agreements pertaining thereto, either oral or written. This Agreement and any provision thereof shall not be modified, amended, waived or discharged in any manner other than by a written amendment executed by all parties to this Agreement.

16.10 If any party to this Agreement breaches their obligations hereunder, such party shall be liable to the either party hereto for any and all damages caused thereby.

17. Tax Credit Requirement. Notwithstanding any other provision herein to the contrary, the Senior Lender and Subordinate Lender agree that in the event of a foreclosure on the Development, that no tenant may be evicted nor rent be raised for the three-year period following foreclosure if such eviction or raising of rent would be contrary to the provisions of Section 42(h)(6)(E) of the Internal Revenue Code of 1986, as may be amended, and that the Bond Loan Documents and Subordinate Loan Documents are expressly subordinate to this provision.

18. Electronic Transmission of Data. Lenders and Borrower agree that certain data related to the Loan (including confidential information, documents, applications and reports) may be executed and transmitted electronically, including transmission over the Internet. This data may be transmitted to, received from or circulated among agents and representatives of Borrower and/or Lenders and their Affiliates and other Persons involved with the subject matter of this Agreement. 19. Rights of the Senior Lender. The parties hereto acknowledge and agree that Senior Lender is acting hereunder solely in its capacity as Trustee under the Indenture, and in so acting hereunder shall be entitled to all rights, protections and immunities granted to it in the Indenture.
