Comments: I am writing concerning the short term rental application

for the house at 212 Park deVille St. I have lived in the area for over 20 years and I am a neighbor within a half a block. I do not feel this is an appropriate zoning for our neighborhood, it's a busy neighborhood but it's a quiet and well established neighborhood and I think the short term rental tenants would be an interruption of that peace and quiet. I also feel that it is too close to two of our schools where the children walk and ride bikes to and from school every school day. I am also concerned that at that busy corner parking on the street may cause traffic issues and with the very steep driveway residence are very likely to use the street for parking or for additional guests. Thank you for your attention to this matter.
