Re: Request to change the Downtown Columbia Leadership Council name to Greater Downtown Leadership Council and add an additional member to represent the Loop CID Board.

Executive Summary

The Downtown Columbia Leadership Council (DCLC) is requesting to change the DCLC name as well as add an additional member.

Discussion

The Downtown Columbia Leadership Council (DCLC) currently consists of fifteen (15) members, two (2) of whom shall be nonvoting members (the director of community development and director of economic development). Six (6) members are appointed by the city council. At least two (2) members appointed by the city council are representatives of recognized neighborhood associations. At least one (1) member appointed by the city council shall reside in the expanded downtown development concept plan and study area as defined in the "Downtown Columbia Leadership Council Interim Report" dated May, 2009.

The DCLC is requesting the name of the Council be changed to Greater Downtown Leadership Council in order to better describe the boundary they represent. This boundary also includes portions of The Loop CID boundary and encompasses all of the Downtown CID boundary. Because of this overlap in boundaries, the DCLC are requesting that Council add an additional member to represent The Loop CID Board.
