I've been a long time neighbour of the couple that owns the house. They are great people. I support them making [1501 Paris Road](#) a short term rental property. If you have any other questions please let me know.

To whom this may concern,

I am in full support of allowing [1501 Paris Road](#) to be licensed as a short term rental. They have been a great neighbor in my 6 years living next to them and they have even helped me with some of my own housework needs. They are knowledgeable and reliable.

To whom this may concern,

I am in full support of allowing [1501 Paris Road](#) to be licensed as a short term rental. The property is well maintained and I have never experienced any issues with its operation as a short term rental. I don't believe there would be any issues in the future.

Thanks,

Hello!

I am in full support of allowing [1501 Paris Road](#) to be licensed as a short-term rental.

As a 10 year resident at [1509 Paris Road](#), Colin and Ali Freeman have been wonderful neighbors and take great care of their properties. For many years they have lived adjacent to the property at [1501 Paris Road](#), ideal for ensuring a great stay for guests and welcoming people to the area. The property owners are the kind of people one wants in a neighborhood - caring about the longevity of the community and constantly working to improve the area.

If any questions at all, my cell number is 660-973-8014 and my personal email is heidibsharp@gmail.com.

Thank you!
