- (ff) *Primary use of land and buildings: vehicle wrecking or junkyard.* This use is subject to the following additional standards:
  - (1) The facility must be enclosed by a solid fence or wall at least ten (10) feet in height, sufficient to block all views of stored or stacked vehicles, vehicle parts, and wrecking equipment when viewed from adjacent public rights-of-way;
  - (2) If located within five hundred (500) feet of a residential zoning district or residential use, any equipment used for crushing or dismantling vehicles shall be located in a completely enclosed structure, or if not enclosed, shall meet the operating hours established in chapter 11 (health and sanitation) of the City Code; and
  - (3) In addition to the above, any vehicle wrecking or junkyard facility shall meet all applicable provisions of chapter 11 (health and sanitation) of the City Code.
  
- (gg) *Accessory and temporary uses of land and buildings: Accessory dwelling units.* This use is subject to the following additional standards:
  - (1) No more than two (2) dwelling units, including the accessory dwelling, may be permitted on a single lot;
  - (2) The lot **upon which the accessory dwelling unit is located shall meet the definition of "lot" or "lot, substandard" as established within this chapter. Lots within the R-1 district shall ~~must~~ be a minimum of five thousand (5,000) square feet, and ~~have a~~ lot width ~~no less than must be a minimum of fifty (50) thirty (30)~~ feet. Lots within the R-2 or R-MF districts shall be a minimum of three (3,000) square feet and have a lot width of no less than thirty (30) feet;**
  - (3) A detached accessory dwelling shall be located a minimum of ten (10) feet behind the principal dwelling, and a minimum of six (6) feet from any side or rear lot line. On corner lots, the accessory dwelling shall be set back from side streets not less than the distance required for the principal residence. For the purpose of providing adequate fire protection access, the distance from the nearest street frontage to the center of the rear wall of the accessory dwelling unit shall not exceed one hundred and fifty (150) feet of travel distance unless otherwise specified by the most current adopted edition of the International Fire Code or authorized by the fire chief;
  - (4) An accessory dwelling shall not exceed seventy-five (75) percent of the total square feet of the principal dwelling, as shown in the Boone County Assessor's records, or eight hundred (800) square feet, whichever is less. In addition, a detached accessory dwelling shall not occupy more than thirty (30) percent of the rear yard;
  - (5) A detached accessory dwelling shall not exceed the height of the principal dwelling or twenty-four (24) feet, whichever is less;

~~(6) When an accessory dwelling is attached to a principal dwelling, only one entrance may face the front lot line;~~

(76) In addition to the parking required for the principal dwelling, one additional off-street parking space shall be provided for accessory dwellings having three (3) or more bedrooms. No more than three (3) bedrooms shall be allowed in an accessory dwelling unit;

(87) When a driveway is constructed or used to provide vehicle access to an accessory dwelling, the driveway shall be surfaced as required by this chapter. Gravel may be considered an acceptable alternative surfacing material under the following conditions:

(1) The fire chief has determined paved access is not necessary to provide safe and adequate fire access to all parts of all dwellings on the lot;

(2) An existing gravel driveway provides access to the accessory dwelling unit, or a new compacted gravel driveway is constructed to provide such access; and

(3) The driveway apron (i.e., the driveway within the public right-of-way) is constructed of a paved surface as required by city specifications.

(98) Prior to issuance of a building permit for an accessory dwelling, application shall be made to the city, including a plot plan showing existing buildings and proposed accessory dwelling location, in addition to the above listed criteria.

(hh) *Accessory and temporary uses of land and buildings: Backyard, rooftop, or community garden.* Each of these uses shall be limited to the propagation and cultivation of plants, provided no retail or wholesale business shall be conducted upon the premises, and no obnoxious fertilizer is stored upon the premises, and no obnoxious soil or fertilizer renovation is conducted.

**Section 29-4.1(a) [Dimensional summary table] of the Unified Development Code shall be amended as follows. Strikethrough text to be deleted and underlined text to be added.**

**Sec. 29-4.1. Dimensional summary table.**

(a) *General dimensional standards.* The following Tables 4.1-1 to 4.1-3 state the dimensional standards for residential, mixed use, and special purpose districts contained in chapter 29-2 (zoning districts). In case of a conflict between the dimensions shown in this section 29-4.1 and the dimensions shown for individual districts in chapter 29, article 2, the provisions of this section 29-4.1 shall apply. In each table, a blank cell indicates that there is no standard for that dimension or measurement. (See section chapter 12A of the City Code for additional required building setbacks from stream corridors. See section 29-4.1(b)(2) (solar orientation density bonus), section 29-4.1(b)(3) (rural cluster density bonus), and section 29-4.1(b)(8) (substandard lots) for additional information related to dimensional standard reductions and bonuses).
