Re: Setting Public Hearings for the FY26 Capital Improvement Plan

Executive Summary

This Public Hearing scheduled for July 21, 2025 is for the consideration of the Capital Improvement Plan for the fiscal year 2026.

Discussion

For consideration and discussion of the Capital Improvement Plan (CIP), a Public Hearing is being set ahead of the Budget hearings in order to focus FY26 projects. This hearing is a crucial step in the planning and implementation of projects that are essential for the City's infrastructure, and major services. The CIP outlines the projected capital expenditures and sources of financing for the coming year. The City's CIP is a blueprint for investing in the physical infrastructure. It includes projects that maintain and improve public facilities, infrastructure, and equipment.
