Hello Neighbor,

I hope you're doing well! I wanted to personally let you know that I am applying with the City of Columbia, Missouri for a Conditional Use Permit and Short-Term Rental License to occasionally rent out my home as an Airbnb.

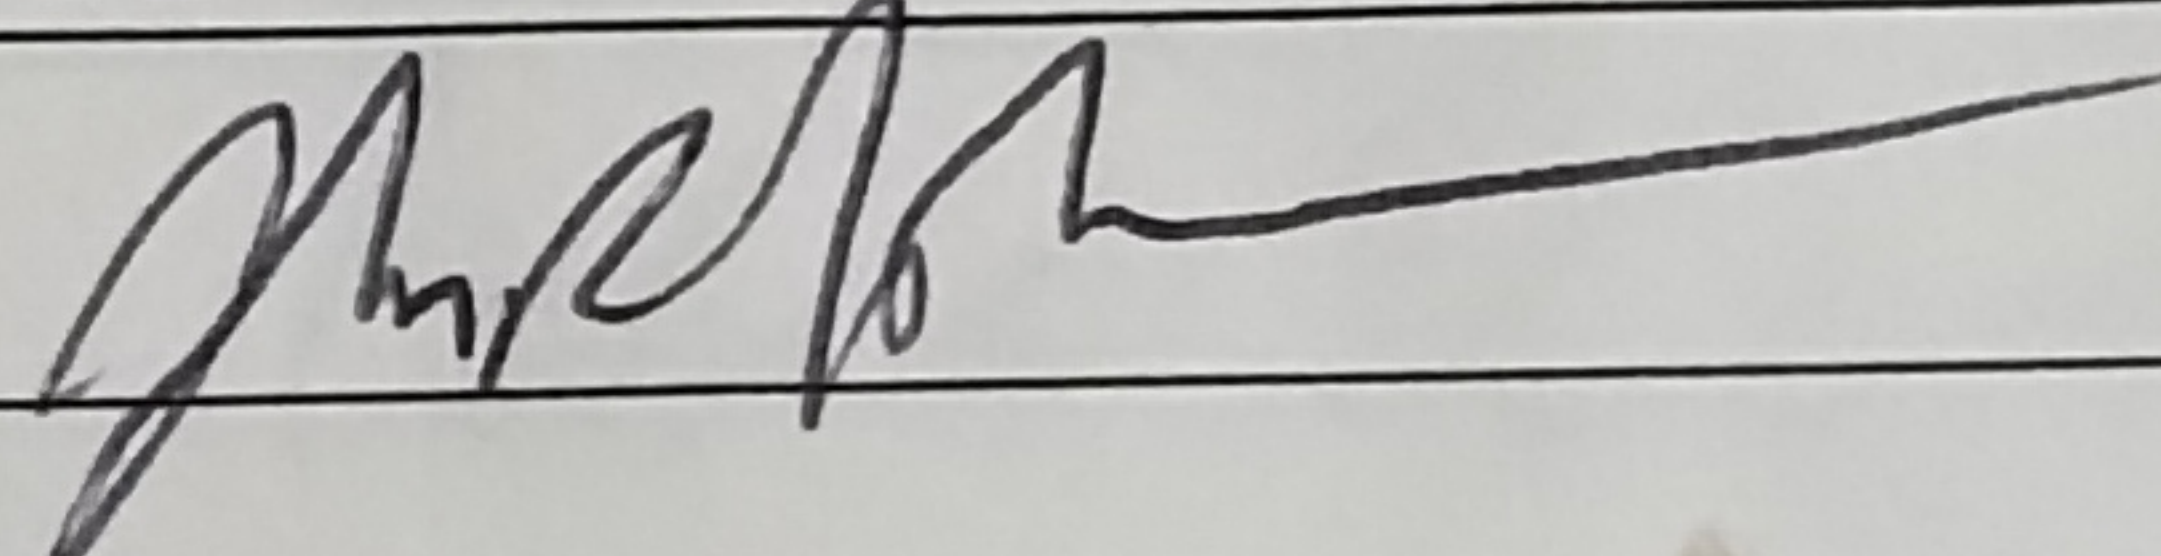

As a fellow homeowner in the neighborhood, it's very important to me that my home remains a safe, quiet, and respectful place. My intention is not to create a party house or anything disruptive, just a comfortable and welcoming stay for visitors traveling through Columbia. I care a lot about our neighborhood and plan to continue being thoughtful about how my home is managed and maintained.

I wanted to communicate openly with you and make sure everyone is aware of my plans. By signing below, you are simply acknowledging that I have informed you about my application and that you have no objections to me operating a short-term rental at my home located at:
