Hello Jennifer,

Grounded Solutions Network's 2024 Board election has concluded! We look forward to announcing the results of the election soon, and we thank you for your engagement throughout this process.

Now that voting has ended, we'd like to ask you to take two additional steps before the end of the year:

1. Register yourself and your colleagues for our Annual Meeting on Tuesday, December 10th, at 2pm ET / 11am PT. We look forward to announcing the results of the election and reflecting on 2024. Most importantly, we're excited to hear from members like you! See more details and register below.

[Register for the Annual Meeting](#)

2. Renew your membership for 2025. Columbia Community Land Trust is a valued member, partner, and advocate for housing with lasting affordability. We invite you to renew your organization's membership before it expires on December 31, 2024.

We've streamlined the renewal process with the pre-filled membership application link below. Membership dues are not increasing for 2025, and we are excited to introduce a new multi-year membership option for organizations that wish to secure their membership for three years. Please visit our [website](#) for more information about member dues and benefits.
