Executive Summary

Staff has prepared for Council consideration an ordinance to authorize a subrecipient monitoring agreement with Boone County, Missouri to accept funds in the amount of \$25,507.20 from the 2024 Byrne Justice Assistance Grant (JAG). Discussion

B286-24 dated 12/2/24 authorized the intergovernmental agreement between the City of Columbia, Missouri and County of Boone, Missouri in relation to the 2024 Byrne Justice Assistance Grant (JAG). The intergovernmental agreement provides the 60-40% split of available funds on an established disparity formula. This results in the city's share being \$25,507.20 of the \$42,512.00 total grant. The grant has been awarded and must be accepted through the subrecipient monitoring agreement.

As outlined in the intergovernmental agreement, this grant will be used to purchase portable radios to replace current end-of life radios for the Police Department

Fiscal Impact

Short-Term Impact: \$25,507.20 will be the Columbia Police Department's share of this grants funding. \$25,000 was included in both revenue and expense in the current FY2025 police budget, an amendment will be needed for the additional \$507.20. This amendment will be done with the FY25 Quarter 3 Budget Amendments.

Long-Term Impact: No anticipated cost for the City for years beyond two.
