

November 12, 2024

To Whom it May Concern,

Broadway Lodging Two LLC. Is constructing a new hotel located at 1104 E. Walnut Street.

For the remaining duration of the project, we are requesting to extend the following previously approved COC Detailed Permits:

COC Detailed Permit ROW-006289-2023 for closure of the alley running between Walnut and Broadway from Short Street. The previous closure permit expires 11/29/2024.

COC Detailed Permit ROW-002675-2023 for a lane shift, sidewalk and parking meter closures on Walnut Street. The previous closure permit expires 11/29/2024.

Various reasons have resulted in the necessity to extend these permits including weather, existing conditions and material lead times.

Due to the above-mentioned reasons, we are requesting the extension of both of these permits through 11:59pm on December 31, 2024.

Sincerely,

PARIC

Melissa Severs
Project Manager
