STR DOCUMENT LIBRARY- CONDITIONAL ACCESSORY/CONDITIONAL USE SUPPLEMENTAL QUESTIONS FORM

Specific Short-term Rental Conditional Use Permit Review Criteria.

- (A) Whether the proposed STR is used for any part of the year by the registrant as a residence. If so, for how long?

The Proposed STR unit is in a 4 plex. The Unit is not used as a residence at any time during the year.

- (B) Whether or not there are established STRs within 300 feet of the proposed STR measured in all directions from property lines "as the crow flies".

I do not know. I do not know how to make that determination.

- (C) Whether the proposed registrant has previously operated an STR and if such operation has resulted in a history of complaints, a denied STR certificate of compliance, or revocation of an issued STR certificate of compliance.

We have never had any complaints from Other tenants in this building regarding STR occupants. In addition, I have never received a complaint from neighbors.

- (D) Whether the proposed STR will increase the intensity of the use of the property and cause increased traffic or noise coming from the property.

We have been operating for some, have a track record, and it works well. No complaints or issues. I have a lot of experience as owner/operator of STR's in Columbia, Boone County and Lake of the Ozarks. 12 years of actively operating STR's.

- (E) Whether there is support for the establishment of the proposed STR from neighboring property owners.

I am not aware of any opinion of my neighbors. I will gladly seek feedback if/when requested during this application process.
