STR DOCUMENT LIBRARY- CONDITIONAL ACCESSORY/CONDITIONAL USE SUPPLEMENTAL QUESTIONS FORM

Specific Short-term Rental Conditional Use Permit Review Criteria.

- (A) Whether the proposed STR is used for any part of the year by the registrant as a residence. If so, for how long?

My husband travels to Columbia for work and will occasionally be staying at this home. It would be an average of 3 days a month.

- (B) Whether or not there are established STRs within 300 feet of the proposed STR measured in all directions from property lines "as the crow flies".

David Kunz confirmed there are NOT any STRs withing 300 feet.

- (C) Whether the proposed registrant has previously operated an STR and if such operation has resulted in a history of complaints, a denied STR certificate of compliance, or revocation of an issued STR certificate of compliance.

I have two STRs that are in good standing with the community. We have Superhost status and maintain 5 star ratings on these homes.

- (D) Whether the proposed STR will increase the intensity of the use of the property and cause increased traffic or noise coming from the property.

It will not. With the max ability to rent the home for 210 days, this home is likely to have less traffic then a permanent resident.

- (E) Whether there is support for the establishment of the proposed STR from neighboring property owners.

Yes.
