Good Afternoon Commissioners:

As noted in our work session last evening, please find below the Google Maps link to developments that illustrate certain concepts and development strategies that have been discussed as part of the small lot integration project.

https://www.google.com/maps/d/u/0/edit?mid=12q4YLF3RpkGRvMPLqVsh_53Hu0J_TPI&usp=sharing

Staff extends its appreciation to Commissioner Walters for pulling this tour together and for elaborating on why the chosen projects offer some "real-life" built examples of the standards we've been considering. Commissioner's are encouraged to visit the sites independently.

Sincerely,

--
