Re: Resolution authorizing amendments of a City reserves funding agreement and a Community Development Block Grant-CV3 (CDBG-CV3) funding agreement with Job Point to provide vocational training services.

## Executive Summary

The attached resolution authorizes the City Manager to sign an amended City general revenue reserves funding agreement and an amended Round 3 Community Development Block Grant-Coronavirus (CDBG-CV3) funding agreement to extend the deadlines for completion of the funded activities until December 31, 2023 in each of the agreements.

## Discussion

In FY 2021, the City Council allocated \$65,912 in city reserve funds and \$84,088.00 in Round 3 Community Development Block Grant-Coronavirus (CDBG-CV3) funds to Job Point, to provide vocational training for persons and households adversely affected by the pandemic. These agreements expired on December 31, 2022. City staff is recommending these agreements be extended through December 31, 2023 to allow Job Point to expend these funds.

Currently, Job Point has \$65,912 remaining to expend of the city reserves funds and \$54,346.83 remaining of the CDBG-CV3 funds. Job Point's Executive Director has indicated that they will be able to expend the funds by December 31, 2023.
