10 January 23 wright.matt.a VOTES 0	Bus Stop I recommend building a new bus stop as part of this project (even with art would be great - see the one near the Health Department), and shifting the bus stop right down the street. Then it's on city property so we don't have to worry about it getting taken away later.	
14 November 22 Lesheets VOTES 0	I think one tennis /pickle ball court would also be nice. I would also add more trash cans for families that want to picnic in the grass. This park would be a great resource for this area for all the families that live there. And it would have similar items to other parks like Oakland.	
25 October 22 in2Action VOTES 0	Handball Courts We really need handball courts in in Columbia and with The ROC and in2Action located so close, handball courts would be greatly utilized while at the same time providing prosocial recreational opportunities for the justice involved.
