Preservation Plan Grant Amendment

Council Memo

Mr. Palmer proposed a revision to the preservation plan grant agreement, with regards to the budget allocations, seeking to shift remaining consultant funds into the Personnel expense category. The revision will allow the City to submit Mr. Palmer's staff time devoted to the preservation plan as a grant-related expense, potentially capturing the remaining funding as a 60% reimbursement of his salary for those hours. Mr. Palmer noted that he had logged roughly 200 hours, which would equate to an additional \$4,000 reimbursed to the City.

Commissioner Gartner moved to approve the amended budget.

Commissioner Parshall seconded, and the motion passed unanimously by voice vote.
