Department Source: Public Works
To: City Council
From: City Manager & Staff
Council Meeting Date: June 21, 2022
Re: Authorizing the Temporary Restriction of the Alley and Closure of the West Sidewalk on North Ninth Street.

Executive Summary

Staff has prepared for Council consideration a resolution authorizing the Atkins Waterproofing to temporarily restrict the alley north of 113 North Ninth Street and closure of the west sidewalk on North Ninth Street between East Ash Street and East Walnut Street from June 22, 2022 through July 22, 2022, to repair masonry and strip paint from the exterior of the building.

Discussion

The restriction includes the alley north of 113 North Ninth Street and the closure of the west sidewalk of North Ninth Street between East Ash Street and East Walnut Street from June 22, 2022 through July 22, 2022.

Staff had previously authorized a restriction for the alley and closure of the west sidewalk on North Ninth Street from April 25, 2022 through May 20, 2022. Atkins Waterproofing will be repairing masonry and stripping paint from the building located at 113 North Ninth Street. Staff has reviewed the attached traffic control plans and has no other issues with their request.

The Atkins Waterproofing will be responsible for all signs and barricades necessary for the protection and convenience of the general public.
