3. DEFINITIONS

- 3.1. As used in this Agreement, capitalized terms have the meanings set forth in the introductory clause, section 1 (terms followed by an asterisk), section 2 of this Agreement, and as follows:

- (a) "Administrative FAQs" means the document that can be accessed from the DED ARPA webpage, specifically at <https://ded2.mo.gov/media/pdf/faqs-community-revitalization-workforce-training-and-tourism>, as may be amended from time to time, which is incorporated by reference as if fully set forth herein.

For this Subaward, the Cost Sharing Ratio is set forth in section 1 of this Agreement. Cost Sharing Ratio is only for the purposes of payment rate of Program Funds, and does not alter the Maximum Subaward Amount or Subrecipient's Local Match obligation.
- (d) "Local Match" is the amount of funds for the Project that are not Program Funds, as set forth in Subrecipient's Application, which may be modified by Subrecipient's Final Project Budget, which is in Exhibit 4 to this Agreement.

6. COST PRINCIPLES

- 6.1. Allowable Costs will be determined based on the following:
 - (a) Subpart E of the Uniform Guidance, Cost Principles, including but not limited to:
 - i. The cost is necessary for Subrecipient to carry out the Project;
 - ii. The cost must not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost;
 - iii. The cost must have been incurred directly or indirectly to carry out the Project; and

- iv. The cost must be adequately documented;
- (b) The cost must be incurred by Subrecipient prior to the end of the Period of Performance; and
 - i. For the purposes of meeting Local Match, costs cannot be incurred earlier than the beginning of the Period of Performance; and
 - ii. For the purposes of receiving Program Funds from DED for incurred or paid costs, costs cannot be incurred earlier than the Date of Award;
- (c) The cost must be included in the Subrecipient's Final Project Budget (Exhibit 4);
- (d) Contingency costs will be Allowable Costs only if included in Subrecipient's Application;

- (f) The cost is not an Unallowable Cost, which includes, but is not limited to, the following:
 - i. Costs incurred by Subrecipient outside of the time periods set forth in section 6.1(b), except for Subaward administrative costs incurred relating to close-out of an award;
 - ii. Costs that will be reimbursed by other federal, state, or local funding;

7. LOCAL MATCH

- (a) Subrecipient's Application, as modified by Subrecipient's Final Project Budget (Exhibit 4), includes a voluntary cost sharing commitment (see 2 CFR 200.1), or Subrecipient must meet its commitment (the "Local Match") as set forth in this Agreement.
- (b) Subrecipient's Local Match voluntary cost sharing commitment in Subrecipient's Application was based on anticipated total project costs (the Total Budgeted Amount). Accordingly, Subrecipient's voluntary cost sharing commitment shall be determined as follows:

- i. If actual Allowable Costs for the Project are less than the Total Budgeted Amount (e.g., the Project is completed at lower costs than anticipated), Subrecipient's voluntary cost sharing commitment under this Agreement shall be the product of the Cost Sharing Ratio and the actual Allowable Costs for the Project.
- ii. If actual Allowable Costs for the Project exceed the Total Budgeted Amount, the Program Funds with which DED may reimburse Subrecipient cannot exceed the Maximum Subaward amount in section 1 of this Agreement.
- (c) Subrecipient's failure to meet its Local Match may result in DED assigning specific award conditions or taking other action as authorized in section 14 of this Agreement.
- (d) As stated in section 6.1 (b), Subrecipient's Local Match must be met from otherwise Allowable Costs incurred during the Period of Performance.
- (e) Subrecipient's Local Match must comply with 2 CFR 200.306.
- (f) Unrecovered indirect costs are not allowed to meet the Local Match.
- (g) Subrecipient must create and maintain sufficient records demonstrating that it is meeting or has met its Local Match requirement, to facilitate questions and audits.
- (h) Subrecipient must submit records to DED showing how it has met its Local Match according to the Cost Sharing Ratio, in order to receive payment under section 8 of this Agreement.

8. PROGRAM FUNDS PAYMENT

- 8.1. Subrecipient will receive no Program Funds from DED until it has successfully registered for and received:
 - (a) A SAM.gov Unique Entity Identifier and provided the number to DED; and
 - (b) A vendor number from Missouri's SAM II vendor registration system.
- 8.2. Subrecipient may submit Requests for Funds to DED with all necessary supporting documentation, including invoices, by using an electronic interface designated by DED, which will require Subrecipient to have the ability to upload electronic copies of documents.
 - (a) Each invoice shall clearly and accurately detail all of the following required information (calculations must be extended and totaled correctly):
 - i. Invoice/reference number (assigned by Subrecipient);
 - ii. Invoice date;
 - iii. Invoice period (to which the reimbursement request is applicable);
 - iv. MO Contract Number (from section 1 of this Agreement);

- v. Recipient/Pass-through Entity: State of Missouri, Department of Economic Development;
 - vi. Subrecipient name;
 - vii. Subrecipient remittance address;
 - viii. Subrecipient contact for invoice questions (name, phone, and email, if available); and
 - ix. Itemization of payment requested for the invoice period detailing, at minimum, all of the following:
 - a. The amount requested by Subaward budget line-item;
 - b. The amount paid by Subaward budget line-item to date;
 - c. The total amount paid under this Agreement to date; and
 - d. The total amount requested (all line-items) for the invoice period;
- (b) Subrecipient has agreed to a Local Match pursuant to section 7.1 of this Agreement. With each request for payment to DED, Subrecipient must submit documents enabling DED to ensure it is paying Subrecipient with Program Funds according to the Cost Sharing Ratio in section 1 of this Agreement. For example, if the Cost Sharing Ratio is 1:1, for every dollar requested in Program Funds, Subrecipient must demonstrate to DED that it has expended one dollar in Local Match; and
- (c) If total payments to Subrecipient under this Agreement exceed the Maximum Subaward amount, Subrecipient must refund the excess amount to DED.
- 8.3. Requests for Program Funds must be submitted only by a person authorized to submit a Request according to Subrecipient's internal control processes. A form will be provided by DED for Subrecipient to designate who is authorized to submit Requests for Program Funds.
- 8.4. Subrecipient shall submit Requests for Program Funds no more than once a month, unless the amount exceeds \$10,000.
- 8.5. Requests for Program Funds can be of two types:
- (a) Reimbursement of Costs Paid. The cost reimbursement method of payment consists of the payment of Program Funds to the Subrecipient based on actual expenditures for which the Subrecipient paid.
 - i. Supporting documentation may include invoices, paid bills, purchase vouchers, payrolls, copies of checks, contractor pay applications, etc.
 - ii. All vouchers/invoices should be on contractor's/vendors' letterhead.
 - iii. Source documentation should explain the basis of the costs incurred and the actual dates of the expenditure.

- iv. Reimbursement of costs paid is the preferred method of payment of Funds by DED.
 - (b) Advance payment. The Subrecipient may request Program Funds for incurred costs that the Subrecipient is unable to pay in advance of receiving Program Funds from DED.
 - i. Supporting documentation includes invoices or similar documentation. Subrecipient must explain in its Request for Payment why it cannot proceed with the reimbursement of costs method.
 - ii. During monitoring by DED, the Subrecipient must provide supporting documentation that the incurred costs were paid within three business days of receipt of Program Funds by DED (the "Three-Day Rule"). Documents of this include bank statements or cancelled checks.
 - (c) Subrecipient may use both types of Request for Payment, depending on the costs at issue.
- 8.6. If Subrecipient's budget includes grant administrative costs, such costs shall not exceed the amounts in the Program Guidelines.
- (a) Subrecipient's grant administration costs shall be paid by DED as a set percentage of each Request for Payment.
- 8.7. Upon review and approval of Subrecipient's Request for Funds, DED shall pay Subrecipient's Allowable Costs with Program Funds, not to exceed the Maximum Subaward amount in section 1 of this Agreement. As stated in section 6.1(b), costs incurred prior to the Date of Award are not eligible for Program Funds.
- 8.8. Subrecipient must submit its final Request for Funds to DED no later than the end of the Period of Performance. DED will not reimburse a Request for Funds received after this date.
- 8.9. DED is not liable for any of Subrecipient's obligations, expenditures, or commitments in any amount in excess of the Maximum Subaward amount in section 1 of this Agreement.
- 8.10. Any reimbursements to Subrecipient will be subject to reduction for amounts included in any invoice or payment that are determined by DED, on the basis of audits or monitoring, to constitute Disallowed Costs in accordance with the Cost Principles of subpart E of the Uniform Guidance and as set forth elsewhere in this Agreement.
- 8.11. An initial payment by DED will not be construed as a final determination by DED that the costs are Allowable Costs.

- 8.12. As provided in the Treasury-State Grant Agreement, any funds paid to the Subrecipient (1) in excess of the amount to which Subrecipient is finally determined to be authorized to retain under the terms of this Subaward; (2) that are determined by the Treasury Office of Inspector General to have been misused; or (3) that are determined by Treasury to be subject to a repayment obligation pursuant to 42 U.S.C. § 802(e) and have not been repaid by the State shall constitute a debt owed by the State to the federal government.
- (a) In such instance, the funds constituting the State's debt to the federal government shall also constitute Subrecipient's debt to the State. Debts owed by Subrecipient to the State must be paid promptly by Subrecipient to the State. A debt owed to the State by Subrecipient under this Agreement is delinquent if it has not been paid by the date specified in the State's initial demand for payment, unless other satisfactory arrangements have been made or if Subrecipient knowingly or improperly retains funds that are a debt as defined in this section 8.12.
 - (b) The State will take any actions available to it to collect such a debt, including but not limited to actions available to it under section 15 of this Agreement. The rights of the State as expressed in this section 8.12 are in addition to, and do not imply the exclusion of, any other rights the State may have under applicable law to collect a debt or seek damages from Subrecipient.

9. REPORTING

- 9.1. Subrecipient agrees to comply with any reporting obligations established by Treasury or DED, as it relates to this subaward. In the case of an additional reporting obligation imposed by DED under 2 CFR 200.332(a)(3), this Agreement shall be amended.
- 9.2. DED/the State must submit two types of reports to Treasury: quarterly project and expenditure reports and annual performance reports.
- 9.3. **Quarterly Project and Expenditure Reports**

 - ii. Treasury's SFRF Project and Expenditure Report User Guide (Version 6, April 1, 2023), as may be amended from time to time.
- (e) Subrecipient agrees that if Treasury modifies its quarterly project and expenditure reporting requirements under SFRF, Subrecipient will provide additional reporting required by Treasury of DED/the State for the Project.

9.4. **Annual Recovery Plan Performance Report.**

- (a) DED/the State must submit Recovery Plan Performance Reports annually covering each July 1-June 30 fiscal year for 2022 through 2026. Those reports are due to Treasury by the July 31 following the end of the applicable fiscal year. The final Recovery Plan Performance Report (July 1, 2026-Dec. 31, 2026) is due to Treasury April 30, 2027. The annual reports required are:
- (b) Information about the contents of the Recovery Plan Performance Report are in the SFRF Compliance and Reporting Guidance, pp. 34-40, in Treasury's Recovery Plan Reporting User Guide (Version 2.0, July 1, 2022) and Treasury has a suggested template (for the State) at the SFRF Compliance and Reporting webpage titled "Recovery Plan Template".
- (c) In order for DED/the State to be able to timely file its Annual Performance Reports with Treasury, Subrecipient agrees to provide DED/the State with any required data, information, and documents to be included in the Annual Performance Reports no later than February 28, 2027.
- (d) DED will make all efforts to use the Quarterly Reports to create the Annual Performance Reports in lieu of potentially duplicative reporting, but reserves the right to request updated information if necessary to comply with Treasury's requirements.

9.5. Per 31 CFR 35.4, Treasury may request other additional information, in addition to regular reporting as may be necessary or appropriate, including as may be necessary to prevent evasions of the requirements of 31 CFR 35.1 to 35.12. Subrecipient agrees to cooperate with DED/the State and provide any information requested by Treasury.

10. STRONG LABOR PRACTICES IN CONSTRUCTION

- 10.1. Treasury encourages the use of strong labor practices for capital expenditure projects funded by SFRF in order to ensure projects produce high-quality infrastructure, avert disruptive and costly delays, and promote efficiency.
- 10.2. If the Project has a Total Approved Budget amount greater than \$10 million, then the following requirements apply to the Project:
 - (a) Subrecipient must provide, if it did not do so in Subrecipient's Application, a certification that, for the Project, all laborers and mechanics employed by contractors and subcontractors in the performance of the Project are paid wages at rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code (commonly known as the "Davis-Bacon Act"), for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or by the appropriate State entity pursuant

to a corollary State prevailing-wage-in-construction law (commonly known as "baby Davis-Bacon Acts");

- (b) Subrecipient must provide, if it did not do so in Subrecipient's Application, a Project workforce continuity plan detailing:
 - i. How Subrecipient will ensure the Project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the Project, including a description of any required professional certifications and/or in-house training, registered apprenticeships or labor-management partnership training programs, and partnerships like unions, community colleges, or community-based groups;

- (c) Subrecipient must report to DED, if it did not do so in Subrecipient's Application, whether the Project prioritizes local hires; and
- (d) Subrecipient must report to DED, if it did not do so in Subrecipient's Application, whether the Project has a community benefits agreement, and if so, must provide a description of any such agreement. A community benefits agreement is a contract between one or more community-based organizations (these may be composed of non-profits, faith-based organizations, labor groups, and others representing the interests of a community) and Subrecipient identifying a range of community benefits Subrecipient agrees to provide as part of the Project, in return for the community's support of the Project.
- (e) Subrecipient must maintain sufficient records to substantiate the information in section 10.2(a)–(d) of this Agreement.
- (f) Subrecipient must provide any updated reporting on the information in section 10.2(a)–(d) of this Agreement required by Treasury as part of DED/the State's reporting obligations, as described in section 9 of this Agreement.

- 11.2. Subrecipient must submit to DED all Project closeout documents no later than sixty (60) days after the end of the Period of Performance, so that DED can submit its closeout documents to Treasury, as set forth in 2 CFR 200.344.
- 11.3. Closeout will be conducted pursuant to the Uniform Guidance and the Subrecipient shall have continuing responsibilities as set forth in 2 CFR 200.345.

12. RECORD RETENTION AND ACCESS

- 12.1. Such records may include, but are not limited to:
 - (a) Records documenting compliance with 42 U.S.C. § 802, Treasury SFRF regulations at 31 CFR part 35; Supplementary Information to the Final SFRF Rule, 87 F.R. 4338-4446; Treasury Guidance as described in sections 5.2(d) of this Agreement, and other terms of this Agreement (2 CFR 200.302(a));
 - (b) Records sufficient to permit, as stated in 2 CFR 200.302(a):
 - i. The preparation of reports required by general and program-specific terms;

 - (c) Records allowing DED to establish and demonstrate that the requirements of 2 CFR 200.302(b) are met with respect to the Project.
- 12.2. Subrecipient must retain all of its records relating to this Subaward, including supporting documentation, for five (5) years from the date of DED's closeout of this Subaward, unless a longer period is required as set forth in the exceptions in 2 CFR 200.334.
- 12.3. Subrecipient must give the State, DED, Treasury, Treasury's Office of the Inspector General, the Government Accountability Office, the Missouri State Auditor, and their authorized representatives, access to any records (electronic and otherwise) of Subrecipient related to this Subaward in order to conduct inspections, audits, or other investigations. 13.2. Pursuant to the Treasury-State Grant Agreement, as a condition of receiving ARPA federal financial assistance, Subrecipient provides the following assurances:

- (a) Subrecipient ensures its current and future compliance with applicable provisions of Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal funds, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by Treasury Title VI regulations at 31 CFR part 22 and other pertinent executive orders such as federal Executive Order 13166; directives; circulars; policies; memoranda and/or guidance documents.
- (b) Subrecipient acknowledges that federal Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English Proficiency ("LEP"). Subrecipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and Treasury's implementing regulations. Accordingly, Subrecipient must initiate reasonable steps, or comply with Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Subrecipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in Subrecipient's programs, services, and activities.
- (c) Subrecipient agrees to consider the need for language services for LEP persons during development of applicable budgets and when conducting programs, services, and activities. As a resource, Treasury has published its LEP guidance at 70 FR 6067. For more information on LEP, please visit <http://www.lep.gov>.
- (d) Subrecipient acknowledges and agrees that compliance with this assurance constitutes a condition of continued receipt of federal financial assistance and is binding upon Subrecipient and Subrecipient's successors, transferees, and assignees for the period in which such assistance is provided.

- (e) Subrecipient acknowledges and agrees that it must require any contractors, subcontractors, successors, transferees, and assignees to comply with the assurances in (a) through (d) above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Subrecipient and any contractor, subcontractor, successor, transferee, and assignee:

The contractors, subcontractors, successors, transferees, and assignees shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR part 22, which are herein incorporated by reference and made a part of this agreement. Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations 31 CFR part 22, and herein incorporated by reference and made a part of this agreement.

- (f) Subrecipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of Treasury, this assurance obligates the Subrecipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Subrecipient for the period during which it retains ownership or possession of the property.
- (g) Subrecipient shall cooperate in any enforcement or compliance review activities by Treasury or the State of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. That is, Subrecipient shall comply with information requests, on-site compliance review, and reporting requirements.
- (h) Subrecipient must maintain and provide to applicants, beneficiaries, their representatives, or any other party requesting the same, information on how to file a Title VI complaint of discrimination with the State.
- (i) Subrecipient must provide to the State documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address

the non-compliance, including any voluntary compliance or other agreements between Subrecipient and the administrative agency that makes any such finding. If Subrecipient settles a case or matter alleging such discrimination, Subrecipient must provide to the State documentation of the settlement. If Subrecipient has not been the subject of any court or administrative agency finding of discrimination, Subrecipient shall so state.

- (j) The United States of America has the right to seek judicial enforcement of the terms of this assurances section 13.2 and nothing in this section 13.2 alters or limits the federal enforcement measures that the United States may take in order to address violations of this section 13.2 or applicable federal law.
- 13.3. Subrecipient agrees to comply, if applicable, with requirements of the Hatch Act (5 U.S.C. §§ 1501–1508 and 7324–7326), which limits certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by this federal assistance.
- 13.4. Subrecipient understands that making false statements or claims in connection with this Subaward is a violation of federal law and may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in federal awards or contracts, and/or any other remedy available by law.
- 13.5. - 13.6. Pursuant to the Treasury-State Grant Agreements, and federal Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), the State encourages the Subrecipient to adopt and enforce policies that ban text messaging while driving.
- 13.7. Subrecipient understands and agrees that it is a Non-Federal Entity as defined in 2 CFR 200.1, it must maintain a conflict of interest policy consistent with 2 CFR 200.318(c) and that such conflict of interest policy is applicable to each activity funded under this Subaward. Subrecipients must disclose in writing to Treasury or DED/the State, as appropriate, any potential conflict of interest affecting the Program Funds in accordance with 2 CFR 200.112.
- 13.8. Subrecipient must provide for compliance with the applicable requirements of the laws, regulations, and Treasury guidance in section 5.2 of this Agreement, and with the provisions in sections 13.1 and 13.2 of this Agreement by other parties in any agreements it enters into with other parties relating to this Subaward.

- 13.9. In the Treasury-State Grant Agreement, Treasury provides that the United States expressly disclaims any and all responsibility or liability to the State or third persons for the actions of the State or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this Subaward or any other losses resulting in any way from the performance of this Subaward or any contract or subcontract under this Subaward. Furthermore, in the Treasury-State Grant Agreement, Treasury also states that the acceptance of the award by the State does not in any way establish an agency relationship between the United States and the State. This disclaimer applies with equal force to this Subaward.
- 13.10. In accordance with 41 U.S.C. § 4712, Subrecipient may not discharge, demote, or otherwise discriminate against an employee in reprisal for disclosing to any of the list of persons or entities provided below, information that the employee reasonably believes is evidence of gross mismanagement of a federal contract or grant, a gross waste of federal funds, an abuse of authority relating to a federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant.

5. BENEFICIARIES

To comply with federal requirements, the proposed project must respond to a negative economic impact experienced by individuals, households, communities, small businesses, or industries due to the COVID-19 public health emergency. Federal regulations refer to these groups as “beneficiaries”. Some beneficiaries are negatively economically impacted by COVID-19, and others are disproportionately impacted. The distinction is relevant in considering what program, service, or capital expenditure (activities – see [section 6](#)) is an eligible response. As set forth in [section 6](#) of these Guidelines, some activities are eligible only for disproportionately impacted beneficiaries.

5.1 IMPACTED BENEFICIARIES

Eligible impacted beneficiaries include:

5.1.1 Impacted Households

- a. Low-or moderate-income households¹
- b. Households that experienced unemployment

¹ “Low-income household” and “moderate-income household” are defined terms in the Treasury regulations, 31 CFR 35.3. DED has been using the Federal Poverty Guidelines (FPG) definitions, but Applicants are not limited to that. Note that the household size is the basis for the applicable 2021 FPG— Applicants will need to follow the guidance in [Treasury’s SFRF Final Rule Notice](#), 87 FR 4345-4347.

6.2 ADDITIONAL ACTIVITIES

In addition to the enumerated activities in [section 6.1](#), applicants may identify COVID-19 negative economic impact on an individual or class and design a program that responds to that impact. Responses should be related and reasonably proportional to the harm identified, and reasonably designed to benefit those impacted. In order to prove project eligibility, the applicant must provide quantitative and qualitative data that supports the assertion of impact to identified beneficiaries, and rationalizes project approach to addressing the need. Applicants proposing an additional activity not set forth in [section 6.1](#) of these Guidelines are encouraged to consult [Treasury's SFRF Final Rule Notice](#), 87 FR 4343-45, for more information about Treasury's standards if interested in designing your own program for DED's consideration.

6.3 INELIGIBLE ACTIVITIES

Grant funds may not be used for the following activities:

1. Demolition of vacant or abandoned residential properties that exacerbates the COVID-19 pandemic's impact on housing insecurity or lack of affordable housing (see [Treasury's SFRF Final Rule Notice](#), 87 FR 4343-45, 4374-75, for more information).
2. General infrastructure projects, including street or road construction, maintenance or repair, bridges, parking lots, and other surface

transportation infrastructure, where that activity is the predominant component.

3. Construction of new correctional facilities as a response to an increase in rate of crime.
4. Large capital expenditures intended for general economic development are generally not eligible activities, per Treasury guidance.
5. General economic development or workforce development activities that seek to generally enhance the jurisdiction's business climate.
6. Programs providing grants to small businesses.
7. A program, service or capital expenditure that includes a term or condition that undermines efforts to stop the spread of COVID-19. This includes programs or services that impose conditions for participation or acceptance of the service that would undermine efforts to stop the spread of COVID-19 or discourage compliance with practices included in CDC guidance. (See [Treasury's SFRF Final Rule Notice](#), 87 FR 4340, 4431, for more information).
8. Debt service, satisfying an obligation under a judgment or settlement agreement, or contributing to a "rainy day" fund.
9. Generally projects that are otherwise eligible for funding under other ARPA Programs in the State of Missouri may not be considered under this Program.

7. PROJECT BUDGET

Applicants will be required to submit a detailed budget for the project that includes anticipated costs of the proposed project, as well as matching funds (for more information on matching funds, see [section 7.5](#) of these Guidelines).

7.1 ELIGIBLE TIME PERIOD

Reimbursement will only be issued for costs incurred and paid after notification of award and before September 30, 2026.

7.2 MINIMUM AND MAXIMUM AWARDS

1. Grant minimum: \$250,000; and
2. Grant maximum: Applicants may apply for multiple projects. Total requests for one applicant may not be for more than 25% of the total amount available for the applicable funding category listed in [section 3](#) of these Guidelines. Applicants may apply under multiple funding categories.

7.3 ELIGIBLE COSTS

Subrecipients¹⁰ will be able to request reimbursements on up to a monthly basis for costs to carry out the project. Whether seeking reimbursement for costs or to treat them as matching funds, costs must be “allowable costs.” Treasury, by [2 CFR § 1000.10](#), has adopted the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, set forth at [2 CFR part 200](#) (Uniform Guidance). There are cost principles in Subpart E of the Uniform Guidance that apply to this Program that are not repeated in full in these Guidelines. To be an allowable cost generally, the cost must be reasonable and necessary to carry out the project, and have been incurred directly or indirectly in the performance of the project.

Subrecipients will need to comply with all applicable cost principles and other requirements in the Uniform Guidance.

Examples of allowable project costs are:

1. New construction, expansion, or renovation costs.
2. Equipment and furnishings necessary for project to become operational
3. Paid services necessary for construction such as legal, architectural, engineering, etc.
4. Rehabilitation, renovation, maintenance, or costs to secure vacant or abandoned properties to reduce their negative impact.
5. Demolition or deconstruction of vacant or abandoned buildings.
6. Other costs such as environmental assessment, appraisal, permits, and inspections.
7. Grant administration costs not to exceed the lower of 4% of the grant award or \$100,000.
 - a. Grant administration activities are limited to costs related to facilitating project completion, and must be included in project budget as part of the application. Administration may include, but is not limited to, services for: procurement, contract management, labor standards, equal opportunity/civil rights, property management, accounting, reporting, and project closeout. Audit costs must be budgeted separately from administrative costs.

7.3.1 Capital Expenditures

Projects that include capital expenditures (regardless of the funding source) greater than or equal to \$1 million require written justification to include:

¹⁰ Upon award, applicants are referred to as subrecipients under the State (Recipient).

1. Description of the harm or need to be addressed and why the harm was exacerbated or caused by the public health emergency;
2. Explanation of why a capital expenditure is appropriate; and
3. Comparison of proposed capital project against at least two alternative capital expenditures and demonstration of why the proposed capital expenditure is superior.

Additional information regarding the required written justification can be found in [Appendix B](#).

7.4 INELIGIBLE COSTS

The following costs may not be reimbursed by the grant or counted as matching funds:

1. Any costs incurred prior to March 3, 2021.
2. Costs not paid and submitted to DED by September 30, 2026.
3. Costs that are not allowable costs applying the principles in Subpart E of the Uniform Guidance
4. Costs for services and activities if the Applicant did not follow applicable procurement requirements.
5. Costs of ineligible activities (see [section 6.3](#) of these Guidelines).
6. Duplication of Benefits Prohibited: Costs that have been or will be reimbursed by other funds, including but not limited to federal, state or local grants, insurance reimbursements, forgivable loans, or federally insured loans.

7.5 MATCHING FUNDS

Although subrecipients must contribute at least 50% of the total project costs, projects that demonstrate the ability to provide matching funds greater than 50% will score higher. All fund sources must be identified in the submitted project budget, which must include the uses for each fund source.

7.5.1 Eligible Match

The following are considered eligible match:

1. Local sources of cash
2. In-kind contributions (Please refer to [2 CFR § 200.306](#) for restrictions)
3. Local payment for grant administration services
4. Coronavirus Local Fiscal Recovery Funds (CLFRF) received through ARPA
5. Other local Federal fund sources (if that grant allows it to be matched with ARPA SFRF funds)

Eligible expenses incurred on or after March 3, 2021, and paid with sources of funding identified in this section, may be counted toward match.

7.5.2 Documenting Matching Funds

The Applicant must submit documentation demonstrating capacity to provide the matching funds, to include the local match (cost share) and financial statements from participating organizations (as applicable).

The Applicant must provide documentation that the matching funds will:

1. Be committed to the project for the period of performance,
2. Be available as needed, and
3. Not be conditioned or encumbered in any way that may preclude its use consistent with the requirements of this grant Program.

To meet these requirements, Applicants must submit, for each source of the matching share, an MOU or similarly authorizing document that is signed by an authorized representative of the organization providing the matching funds. Appropriate authorizing documents include:

1. A commitment letter;
2. A board resolution; or
3. Equivalent document.

Additional documentation may be requested by DED to substantiate the availability of the matching funds.

7.5.3 Needs-based Modification of Match

Applicants may be eligible for a needs-based modification that reduces total match required from 50% to 20%. For example, on a \$500,000 project the applicant would be required to provide match for \$100,000 of total project costs instead of \$250,000.

In order to be eligible for a reduced match, the project must meet BOTH of the criteria outlined below:

1. Project Score: Project must score in the top 25% of all projects, excluding Appendix A, Section 3: Matching Funds; and
2. Financial Need: The community or communities in which the project is located were not eligible to receive federal ARPA funds equal to the required 50% match.

Additional reasons may be submitted for consideration of financial need, however: The following factors will not be considered justification for a needs-based modification of match, and/or may result in denial of a modification request:

1. The community or communities in which the project is located have already allocated available funding to other projects

2. The community or communities in which the project is located turned down potential sources of match, including federal ARPA funds

To seek eligibility for the needs-based reduction in match, the applicant will need to submit a narrative explaining their financial need for this reduction. If an applicant is granted a reduced match, the application will receive the maximum available points in the match section when being scored.

7.6 LABOR PRACTICES/REPORTING REQUIREMENTS

Any project exceeding \$10 million in total capital expenditures must comply with prevailing wage requirements under Davis-Bacon. Applicants will be responsible for reviewing and maintaining documentation of compliance with labor standard requirements. Additional requirements are:

- (1) A project workforce continuity plan;
- (2) Reporting whether the project prioritizes local hires; and
- (3) Reporting whether the project has a Community Benefit Agreement, with a description of any such agreement.

Additional information on these requirements is in [Treasury's SFRF Compliance and Reporting Guidance](#) (Version 4.2, August 15, 2022). Treasury may update this document from time to time so check Treasury's SFRF webpage linked to in [section 10](#) of these Guidelines.

8. SELECTION CRITERIA

This Program is a competitive grant. To qualify to be scored, Applicants must meet all of the eligibility requirements listed in [section 8.1](#) below. Applications will then be scored and ranked based on the criteria listed in [section 8.2](#).

3. The Applicant has a Missouri Tax ID Number (EIN);
 4. The Applicant has a Federal Employer Identification Number (FEIN);
 5. The Applicant is not delinquent in taxes owed to the State of Missouri;

8.2 SCORING FACTORS

Applications meeting the requirements in [section 8.1](#) of these Guidelines will be scored and ranked based on the criteria listed in the scorecard in Appendix A of these Guidelines.

Funds for each Funding Category listed in [section 3](#) of this document will be awarded based on score from highest to lowest until all funds have been obligated from that category. Should two or more projects score the same, funds will be awarded in the order completed applications were received by DED.

8.2.1 Scoring Process

Scoring will be completed as follows:

1. Each application will be reviewed by more than one internal DED reviewer.
2. Scores will be averaged to create one final score for each application.

¹¹ The [E-Verify Program](#) is currently the only federal work authorization program as described in [§ 285.530 RSMo](#). If Applicant is not already enrolled in E-Verify, go to <https://e-verify.uscis.gov/enroll/> to learn what is needed to enroll and enroll in the program. Applicant can provide a copy of the entire MOU or it can provide the last few pages starting with the signature page. Include the page(s) with "Information relating to your Company" and "Are you verifying for more than 1 site? If yes, please provide the number of sites verified for in each State", which should be the pages immediately after the signature page.

3. If two or more projects score the same, funds will be awarded in the order completed applications were received.
4. Applications will be ranked within their respective Funding Category listed in [section 3](#) of these guidelines by total score. Projects will be awarded from highest to lowest until funds for that Category are exhausted. If the eligible applications in a Category will not use up the available funds for that Category, DED reserves the right to move the unused funds to another Category with demand that exceeds that Category's cap. DED does not intend to hold a second round of funding for this Program.

9. APPLICATION PREPARATION

9.1 APPLICATION SUBMISSION

Applicants can access and complete the application for this Program using the [MO DED ARPA Application Portal](#). Once applications are made available, applicants will have **60** days to submit complete applications.

Applicants will be required to submit several detailed narratives to help illustrate the impact of the proposed project, the applicant's experience and capacity, and the level of collaboration and community support.

9.3.1 *Project Overview Narrative*

(a) The [Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR part 200](#) (when reading these regulations, a prospective Applicant should understand that it would become a "subrecipient" receiving a "subaward" from DED/the State, which is the "pass-through entity" (also referred to as a "non-Federal entity");

(b) [42 U.S.C. § 802](#), Coronavirus State Fiscal Recovery Fund (SFRF);

Reports will be required that allow DED to meet Treasury's reporting requirements for SFRF.

(b) DED may monitor Subrecipient for compliance with the terms of the Grant Agreement and applicable federal laws, regulations, and guidance; and Subrecipient will cooperate in all monitoring.

(c) Record retention and inspection.

(d) Audits relating to the grant, including cooperating with federal and state representatives and providing requested access, information, and records for such audits.

(e) If DED determines, based on monitoring, an audit, or otherwise, that Subrecipient is not complying with the terms of the Grant Agreement and applicable federal laws, regulations, and guidance, DED may take actions as set forth in, but limited to, [2 CFR § 200.339](#).

(f) Grant closeout by DED.

B.2 TREATMENT OF CAPITAL EXPENDITURES

Any use of funds for a capital expenditure must comply with the Treasury’s requirements for capital expenditures, in addition to other standards for uses of funds.

For large-scale capital expenditures, which have high costs and may require an extended length of time to complete, as well as most capital expenditures for non-enumerated uses of funds, Treasury requires that written justification be submitted by the State as part of regular reporting. Projects with total expected capital expenditures of \$1 million or greater must undergo additional analysis to justify their capital expenditure.

In all cases where required, Written Justification must include the following:

- A. Description of harm or need to be addressed: Applicants should provide a description of the specific harm or need to be addressed, and why the harm was exacerbated or caused by the public health emergency. When appropriate, applicants may provide quantitative information on the extent and type of the harm, such as the number of individuals or entities affected.

- B. Explanation of why a capital expenditure is appropriate: Applicants should provide an independent assessment demonstrating why a capital expenditure is appropriate to address the specified harm or need. This should include an explanation of why existing capital equipment,

property, or facilities would be inadequate to addressing the harm or need and why policy changes or additional funding to pertinent programs or services would be insufficient without the corresponding capital expenditures.

C. Comparison of the proposed capital expenditure against alternative capital expenditures: Applicants should provide an objective comparison of the proposed capital expenditure against at least two alternative capital expenditures and demonstrate why their proposed capital expenditure is superior to alternative capital expenditures that could be made. Specifically, applicants should assess the proposed capital expenditure against at least two alternative types or sizes of capital expenses that are potentially effective and reasonably feasible. Where relevant, applicants should compare the proposal against the alternative of improving existing capital assets already owned or leasing other capital assets. Applicants should use quantitative data when available, although they are encouraged to supplement with qualitative information and narrative description. Applicants that complete analyses with minimal or no quantitative data should provide an explanation for doing so.

B.3 REQUIRED DOCUMENTATION FOR PROOF OF BENEFICIARY ELIGIBILITY

ASSURANCE OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

ASSURANCE OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the State of Missouri (hereinafter referred to as "the Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits. This assurance applies to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of this assurance apply to all of the recipient's programs, services and activities, so long as any portion of the recipient's program(s) is federally assisted in the manner proscribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal funds, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166; directives; circulars; policies; memoranda and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons during development of applicable budgets and when conducting programs, services and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on LEP, please visit <http://www.lep.gov>.
4. Recipient acknowledges and agrees that compliance with this assurance constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees and assignees for the period in which such assistance is provided.
5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any

personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property;

7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. That is, the Recipient shall comply with information requests, on-site compliance reviews, and reporting requirements.
8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.
9. Recipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurance document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that he/she has read and understood its obligations as herein described, that any information submitted in conjunction with this assurance document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.

Missouri Department of Economic Development

Frequently Asked Questions *ARPA Community Revitalization Grant Program*

This document contains answers to frequently asked questions (FAQ) regarding the Department of Economic Development (“DED”) ARPA Community Revitalization Grant Program (“Program”). These FAQs are for this Program and not for any other Missouri ARPA program, including others administered by DED.

DED will be updating this document periodically in response to questions received from stakeholders; changes will be clearly marked.

Prospective applicants should consult the [Program Guidelines](#) as well as the federal requirements for the federal funding source for the Program, the [State Fiscal Recovery Fund \(SFRF\)](#). The federal requirements are in the form of regulations, Final Rule supplementary information, FAQs, and guidance documents. The federal requirements will be incorporated into the grant agreement entered into between DED and successful applicants.

Q1: How much of the overall funding is available for the first round of applications?

A1: For the FY2023 budget (July 1, 2022-June 30, 2023), The Missouri General Assembly appropriated \$100 million in House Bill 3020 for this Program, of which the full amount is available to applicants applying by November 30, 2022. If the full amount is not awarded, DED may open subsequent rounds to award remaining funds.

Refer to the [Program Guidelines, Sections 1 & 3](#).

Q2: How much funding is available for each project?

A2: The project minimum amount and an Applicant's Program maximum amount are in the [Program Guidelines, Section 7.2](#).

Q3: Can an Applicant submit multiple applications to the Program?

A3: Yes. An Applicant can apply for grants for multiple projects. Each project should be submitted as a separate application. Applicants are subject to Program maximum amounts identified in the [Program Guidelines, Section 7.2](#).

Q4: What is a Qualified Census Tract (“QCT”)?

A4: Defined in 26 U.S.C. § 42(d)(5)(B)(ii)(I), and designated by HUD, QCTs must

have 50 percent of households with incomes below 60 percent of the Area Median Gross Income (AMGI) or have a poverty rate of 25% or more. Please refer to the [ARPA Community Identifier Map](#) to find Qualified Census Tracts.

(Source: [Treasury's SFRF regulations 31 CFR § 35.3](#))

Q5: How will applications from the same entity be evaluated?

A5: Applications will be evaluated using the scoring rubric (subject to maximum award amounts per region). Refer to the scoring rubric in the [Program Guidelines, Appendix A](#).

Q6: What happens if the funds allocated to a specific economic region of the state are not fully awarded?

A6: If the Program does not receive sufficient eligible applications to meet the maximum cap for a specific economic region of the state, DED reserves the right to transfer unused funds from one region to another region with high demand for funding.

Refer to the [Program Guidelines, Section 8.2.1, paragraph 4](#).

Q7: What is meant by the required 50% match?

A7: The required 50% match means that at least 50% of the total project cost must be funded by sources other than the Program grant. For example: If a proposed project will cost \$1 million, and, at least \$500,000 in eligible matching funds must be contributed toward the project, leaving the amount that could be paid through the Program grant at \$500,000.

Refer to the [Program Guidelines, Section 7.5](#)

Q8: Can an applicant qualify for a needs-based modification of match if community ARPA funds were available but not awarded to the proposed project?

A8: No. If the community or communities in which the project is located have already awarded available local ARPA funding (and the amount received was at least equal to the 50% match for a project) to other projects, that is not justification for a needs-based modification of match. Additional reasons may be submitted for consideration of financial need and are identified in the [Program Guidelines, Section 7.5.3](#).

Q9: If a project's address is within city limits and serves city residents, but the applicant is located in a neighboring city, how should the applicant define community?

A9: The community to be served should be the community identified.

Q10: Can an ongoing project include matching funds that have already been expended?

A10: Yes, but funds qualify as eligible match only if the costs were incurred and paid on or after March 3, 2021.

Refer to the [Program Guidelines, Section 7.5.1](#)

Q11: In the Scorecard, for Matching Funds, what documents must be provided for matching funds to be considered “secured” as opposed to the application describing “potential matching funds”?

A11: An Applicant demonstrates that funds are secured by uploading a document such as the following:

- a. From a partner organization – a signed letter on the partner’s letterhead is sufficient to demonstrate the match is secured.
- b. From an individual – the applicant must provide a signed letter from the individual to demonstrate the match is secured and will be committed upon grant award.
- c. From the applicant – local cash documentation must be provided through a bank statement or some other verified proof.
- d. In-kind (non-cash) sources – a narrative outlining those sources is sufficient, however, if the contribution is coming from another person or entity, a letter must be provided stating what will be contributed in order for the match to be considered secured.

Refer to the [Program Guidelines, Section 7.5.2 and Scorecard, Appendix A, § 3, Matching Funds](#)

Q12: Will Neighborhood Assistance Program (NAP) tax credits be an eligible source of match?

A12: Yes, but only if NAP tax credits have been awarded to the project.

Q13: If an Applicant has applied to another grant program for funding to use as match for this grant, but has not received an award notification, will those funds count toward the match?

A13: Yes, but the identified matching funds will not be considered “secured” which will result in reduced points according to the Scorecard.

Refer to the [Program Guidelines, Section 7.5.2](#) and [Appendix A](#)

Q14: Can acquisition of buildings or land be funded under this program?

A14: Possibly. Land or building acquisition is a capital expenditure as defined in [2 CFR § 200.1](#) (also see the definition of capital assets). As such, the

requirements in the [Program Guidelines, Section 7.3.1](#) and [Appendix B, Section B.2](#) apply. Additionally, if acquisition of property or land is not an eligible activity in [Section 6.1](#) of the [Program Guidelines, Section 6.2](#) will apply to such an activity.

Applicants should be mindful of the requirements of the [Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 \(42 U.S.C. §§ 4601 et seq.\)](#), which applies to projects funded with federal funds.

Q15: What are the additional requirements for projects with capital expenditures of \$1M or greater?

A15: Treasury requires that a written justification be provided for projects with total capital expenditures equal to or greater than \$1M. Applicants may wish to refer to the [Treasury's Final Rule, supplementary information](#), "Capital Expenditures" which discusses the Written Justification requirements (pages 4389-4395/PDF pages 52-56) for more information.

Refer to the Program Guidelines, [Section 7.3.1](#) or [Appendix B](#)

Q16: Are there additional requirements for projects with capital expenditures greater than \$10 million?

A16: Yes. Treasury requires projects with total capital expenditures over \$10 million to meet certain labor practice and reporting requirements. These are set forth in Section 7.6 of the Program Guidelines, and are based in part on [Treasury's SFRF Compliance and Reporting Guidance](#) (the last bullet on p. 28 of Version 5.0 requires capital expenditure projects of over \$10 million to have the same labor reporting as infrastructure projects, which is found on p. 31 starting with the fourth bullet).

When applying for a project with total capital expenditures exceeding \$10 million, an Applicant for this Program must:

- (1) Provide a certification that all laborers and mechanics employed by contractors and subcontractors in the performance of the project are paid wages at rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code (commonly known as the "Davis-Bacon Act"), for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the county (or City of St. Louis) in which the work is to be performed, or by the Missouri Department of Labor, Division of Wage and Hour Standards pursuant to Missouri's Prevailing Wage Law.
- (2) Provide a workforce continuity plan (instead of a pre-hire project labor agreement) explaining:
 - a. How Applicant will ensure the project has ready access to a

sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project, including a description of any required professional certifications and/or in-house training.

- b. How will the Applicant will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;
 - c. How the Applicant will provide a safe and healthy workplace that avoids delays and costs associated with workplace illnesses, injuries, and fatalities, including descriptions of safety training, certification, and/or licensure requirements for all relevant workers (e.g., OSHA 10, OSHA 30); and
 - d. Whether workers on the project will receive wages and benefits that will secure an appropriately skilled workforce in the context of the local and regional labor market;
- (3) State whether the project will prioritize local hires; and
(4) State whether the project will have a Community Benefit Agreement, and a description of any such agreement.

See also the Program Guidelines, [Section 7.6](#)

Q17: What is a Community Benefit Agreement (CBA), as referenced in the Program Guidelines, Section 7.6?

A17: A Community Benefit Agreement (CBA) is a contract between one or more community-based organizations (these may be composed of non-profits, faith-based organizations, labor groups, and others representing the interests of a community) and the subrecipient or developer of the proposed project. This contract identifies a range of community benefits the subrecipient or developer agrees to provide as part of the development, in return for the community's support of the project.

Q18: Will applicants awarded funds for this program receive all the funds up front?

A18: No. The Program provides reimbursement for eligible costs. Subrecipients (successful applicants) will need to submit appropriate documentation for review and approval before receiving reimbursement for eligible expenses as set forth in the [Program Guidelines, Section 7.3](#)

Q19: Does § 67.2300 RSMo (House Bill 1606, 2022 – use of state funds for homelessness and housing) apply to Community Revitalization Grant Program projects?

A19: No. DED has determined that the ARPA SFRF funds are not “state funds” as defined in § 67.2300.1(2), and therefore the restrictions in § 67.2300 do not apply

to this Program.

Q20: What is an independent assessment, as referenced in the Program Guidelines, Appendix B., and who must write the assessment?

A20: The Treasury's Guidance uses the term "independent assessment." DED interprets this to mean that it should be an objective assessment. It does not have to be prepared by anyone outside the Applicant's employment or management. It must, however, be written in a manner that does not reflect bias and shows a true consideration (and explanation to DED of the same) of why the other avenues of use of funds are inadequate. Applicants may wish to refer to the [Treasury's Final Rule, supplementary information](#), "Capital Expenditures" which discusses the Written Justification requirements (pages 4389-4395/PDF pages 52-56) for more information.

Q21: How is the DED defining Low to Moderate income households?

A21: In the SFRF final rule, Treasury defines low- and moderate- income for the purposes of determining which households and populations have been impacted, based on thresholds established and used in other federal programs.

Applicants should determine whether to measure income levels for specific households or for a geographic area (community) based on the type of service to be provided. For example, programs that serve/target specific households (e.g., job training, emergency housing assistance, or financial literacy programs) should measure income at the household level.

Low income ([31 CFR 35.3](#)):

- (1) Income at or below 185 percent of the 2021 Federal Poverty Guidelines (FPG) for the size of its household based on the most recently published poverty guidelines by the Department of Health and Human Services (HHS); or
- (2) Income at or below 40 percent of the Area Median Income (AMI) for its county and size of household based on the most recently published data by the Department of Housing and Urban Development (HUD).

Moderate income ([31 CFR 35.3](#)):

- (1) Income at or below 300 percent of the FPG for the size of its household based on the most recently published poverty guidelines by HHS; or
- (2) Income at or below 65 percent of the AMI for its county and size of household based on the most recently published data by HUD.

Q22: Should I get an Engineer's Estimate of Cost or an Architect's Estimate of Cost for my capital project?

A22: Applicants proposing new construction, renovation, or rehabilitation

projects MUST obtain either an Engineer or Architects Estimate of Cost. Architects design buildings and oversee construction while Professional Engineers oversee the entire design-to-completion process for general infrastructure and other major works.

Please note that cost estimates from general contractors will NOT be accepted.

Q23: What should I include in the engineer/architect cost estimate?

A23: The Estimate of Cost should be prepared by a registered/licensed Professional Engineer or Architect and include the following:

- a. Line Item costs;
- b. Annual Operations and Maintenance (AOM) costs; and
- c. Be dated within six (6) months of application submittal.
