Re: Amending a Right of Use Permit with Broadway Lodging, LLC

Executive Summary

Approval of this ordinance would authorize the City Manager to execute two (2) revisions to existing right of use license permits with Broadway Lodging, LLC for construction of a new hotel tower which will connect to the existing Broadway Hotel located at 1111 Broadway.

Discussion

On September 12, 2019 Council authorized six (6) right of use license permits for the developer to encroach on the City right of way. Broadway Lodging, LLC is requesting to revise two (2) of those permits due to design changes of the Broadway Hotel Phase Two project.

There are two (2) revisions needed due to design changes in the building. The first being the airspace and roof overhang. This is due to ADA requirements of 5' clearance for a wheelchair to turn around on the balcony and they decided not to wrap the balconies around the corner of the building. The second being the conduits in the alley that had to be rerouted due to conflicts with existing utilities in the alley.

If Council approves of this project, authorize the City Manager to execute the revisions to the two (2) right of use license permits with Broadway Lodging, LLC.

Fiscal Impact

Short-Term Impact: Enter the cost of proposed legislation to the city for the next **two** years.

Long-Term Impact: Enter the cost of proposed legislation to the city for years **beyond two**.
