Re: 2022 Byrne Justice Assistance Grant (JAG): Intergovernmental Agreement

Executive Summary

The purpose of this ordinance is to offer the intergovernmental agreement between the County of Boone, Missouri and City of Columbia, Missouri for a 40-60% split of available funds on the established disparity formula. This will result in the city's share of funds being \$21,777.00 to purchase equipment.

Discussion

Through a written, signed agreement between the City of Columbia, Missouri and County of Boone, Missouri, an award in the form of a grant for law enforcement equipment could be obtained. This action is not acceptance of the funding. This is one of the necessary steps to comply with the application conditions.

This grant, if awarded, will be used to purchase portable radios to replace current end-of-life radios for the police department.

Fiscal Impact

Short-Term Impact: \$21,777.00 will be the Columbia Police Department's share of this grant's funding and will be used to replace existing radios that are beyond their estimated life and in need of replacement. The revenue and expense were both included in the FY 2023 Police budget.

Long-Term Impact: There will be no additional cost to the city for the next two years.
