Re: Resolution appointing a director and alternate director to the Missouri Joint Municipal Electric Utility Commission DBA: Missouri Electric Commission

Impacted Ward: Citywide

Executive Summary

Staff has prepared for Council consideration a resolution appointing the Water and Light Director and as Alternate the Assistant Director, Electric Utilities to be the representatives for Columbia on the Missouri Joint Municipal Utility Electric Commission DBA: Missouri Electric Commission.

Discussion

The City of Columbia Water and Light Department is represented on the Missouri Joint Municipal Utility Electric Commission (MJMEUC) DBA: Missouri Electric Commission (MEC). Per the contract agreement with the Missouri Joint Municipal Utility Electric Commission, a resolution is required designating the Director and Alternate to be the representatives for Columbia. These appointments may be named by title or by the name of the individual(s). Staff recommends to make the appointments by title so upon future turnover in employment, the next individual named to that title would then be the representative. This would allow for personnel changes at Columbia Water and Light without future resolutions going to council for approval. This resolution appoints the Director of Utilities, who per Section 27-2 serves as the Director of Water and Light Department, with an Alternate being the Assistant Director, Electric Utilities.
