Re: Boone County Animal Control Services Agreement

## Executive Summary

An ordinance authorizing the City Manager to enter into an agreement with Boone County for Animal Control Services for calendar year 2025 in the amount of \$281,793.

## Discussion

This ordinance renews the ongoing agreement with Boone County to provide Animal Control services outside the Columbia city limits. This annual agreement has been in place since 1991 and is beneficial to both parties by minimizing administrative costs and reducing duplication of services. The annual funding level for Boone County is determined from a combination of population and service usage. Boone County's share of Animal Control services for calendar year 2025 is \$281,793.

The total budgeted amount for personnel reflected on Schedule A is based on 2.33 FTE positions authorized in the budget. It is possible that the full amount budgeted may not be spent. At the close of the County's fiscal year, the City and County reconcile based on actual expenditures and revenues.

## Fiscal Impact

Short-Term Impact: The General Fund expenditures and revenues associated with this agreement were anticipated as part of the FY25 budget process.

Long-Term Impact: none.
