Comments:

• would be great to add crosswalks!
↳ especially between rollins and Richmond.
↳ Burnam and Richmond
• curb cuts or accessibility textures should face ~~street~~
toward connecting side walk, not street!

• how will maintenance be handled now that side walks are being fixed?

Comments:

I think this is awesome. It would be nice if there were crosswalks & pedestrian signs at high traffic areas. I ~~also~~ also think construction should not be spilling over into panellenic recruitment. If construction is left uncompleted or is still ongoing, that could become dangerous for potential new members going through the process.
