Re: Tabling Request – Cases # 284-2025

Attached please find a request to table Case # 284-2025 to the **November 20, 2025** Planning and Zoning Commission meeting. The request is sought to allow the application to finalize a relocation of a utility service and re-record a private utility easement permit. This is the applicant's second request to table this matter. Given the delay, new public notice (newspaper and property owner) associated with the concurrent design adjustment will be required.
